Disciple's 100% FREE Middle Man Service!

Service will run from Today, November/29/12 - December/13/12.

I will not take part in Middle Manning stolen currency of any kind.

Do not flame me because you are losing sales from your MM service, I'm simply trying to be nice for the Holidays and build more credibility.

Service applies to all users, Normal, L33T and UB3R.

If you have any open Scam Reports, you are excluded from this service, no exceptions.

To receive a free Middle Man transaction from me, post here and PM me with details regarding the transaction. Merry Christmas fuckers!

I can tell that you are new lol. Middle manning happens when two people want to buy/sell, but they don't trust eachother so they use a trusted 3rd party to receive both items and send to the receiving parties.
