Trusted user and very loyal, or HQ as every one else calls it.

justlurking - November 30, 2012, 11:23 am

Vouch copies you mean free trials for first 10 users if so i want one :D

Big Easy - November 30, 2012, 11:24 am

Hey, I'd love to try the vouch copy. Thanks!

-ZYMOTOM - November 30, 2012, 11:25 am

I would love a vouch copy, would be awesome :) [EDIT]And what is the skype you can contact you at? It's not "Admin@wehostnow.com", or is it? Cause i could not find a skype that was named that.

irunbremen - November 30, 2012, 11:29 am

I would like to get a vouch copy too.

Btw where are the servers located?

Mohamed - November 30, 2012, 2:23 pm

ok all you have to do is register at <http://wehostnow.com/clientarea/> and i will accept. Servers are located in the states.

Bumping this thread still giving away. the 10 accounts

Nieeli - November 30, 2012, 6:06 pm

Can I take a vouch copy if still available? Thanks mate =)

TuneUp - November 30, 2012, 6:40 pm

I'm pretty sure LiquidWeb does not allow botnets or booters. This hosting won't be up for long.

Mohamed - November 30, 2012, 9:40 pm

Just register and i will activate thanks.

dcnt - November 30, 2012, 10:03 pm

Could I grab a vouch copy if there's any still available?
Thanks!

Mohamed - November 30, 2012, 11:30 pm

Yes there are still vouch copys know one is grabbing them.

juaribd - December 5, 2012, 11:23 pm

Hey Mohamed, need a Vouch copy if available plz! PM sent.

Bloody Jay - December 6, 2012, 10:03 am

Can I please have a vouch copy ?

Thanks,

Cute

StA_Wiesbaden - December 6, 2012, 10:58 am

If there is still any vouch copy available, I would like to get one :)

Thank you in advance!

Best regards,

-A\$IAN ?

Hacker16 - December 6, 2012, 3:18 pm

hey bro i pmed u, please reply. also is it offshore hosting?

Mohamed - December 6, 2012, 7:00 pm

Just use the vouch code FREEHOST when you register.

Hacker16 - December 7, 2012, 1:36 am

got it as a vouch copy, i vouch. testing now. do u allow everything?

Luno Solutions Support - December 7, 2012, 11:26 am

PM me if you want to sell up... looking at buying people out for a bit

Mohamed - December 10, 2012, 3:28 pm

The site is now back up we recently had a ddos attack.
