Hmm, well I did include the *other option....

TheElo124 - November 30, 2012, 7:40 pm

Bitch please, oku no pico is the bloodiest of them all

I find that, 'Another' is more gore filled than Mirai Nikki. That's only somewhat gory because of Yuno. 'Another' literally starts you off with an umbrella through some girl's face.

Arruke - November 30, 2012, 8:51 pm

I was going to vote, but then you spelled Gantz wrong >.>

But in all seriousness, from the anime I've watched it would be Elfen Lied or Mirai Nikki, I guess I just haven't watched that many gory anime.

Jack o lantern - November 30, 2012, 8:59 pm

I have seen all but Gantz so far
and i would say Deadman wonderland or Elfen Leid
although Elfen leid is more violent, as in Deadman they use thier blood as weapons
it is still, however, blood

Rakshasa - November 30, 2012, 9:20 pm

So do you mean one the most gore or the best? Because I doubt many of the ones listed would have a shot at the former to be honest.

For the most gore I'm going to have to settle with Blood-C. Ridiculous amount of worthless gore literally everywhere. It's shit by the way.

For the best I'm going with KnK. Not to mention it's probably more gory than most of the series in the poll, it undoubtedly has the best animated gore I have ever seen.

'Other' either way. That will be all.

Black Hole - November 30, 2012, 9:33 pm

You're getting a little specific there Rak. It really is up to you at that point.

Samurai Champloo being gore?

I will go with "Other" aswell.

Black Hole - November 30, 2012, 9:53 pm

Hey man, I can't list em all can I ^^

Really - November 30, 2012, 10:21 pm

I've only seen 2 out of all those anime so I chose Elfen Lied since Samurai Champloo wasn't that bloody or violent.

Hmmm, Samurai Champloo came up a lot when I was searching for bloody anime.

Oh well.

DarkShadowz - November 30, 2012, 10:37 pm

I'm going with 'Other' as well.

Bokusatsu Tenshi Dokuro-chan

Tasemu - November 30, 2012, 11:21 pm

Not much competition.

Elfen Lied - December 1, 2012, 3:01 am

I voted for Elfen Lied even before I read the other suggestions :P.

I the only other anime that I have seen from that list is deadman wonderland so Elfen Lied would get my vote anyway :). Also I'm not to sure if we are meant to be voting for the best gore anime or the goriest anime.

tuonami - December 1, 2012, 4:34 am

My vote goes to Elfen Lied, I voted for it because it's the best gore anime I know from that list (not the goriest).

Sounded a bit accusative, sorry man. Wrote that around 5:30 AM.

Bringing this back up for the people who have yet to vote.

Yeah, that's the only really gory one I've seen, so I voted for "other"
