NEW CASHING OUT ON EBAY OWNER: [I Am JT](#)

[img]http://i253.photobucket.com/albums/hh55/Kingen50cent/cashingout.png[/img]

Amazing V2 Review

(Dec 6, 2013 04:39 AM)Visionz Wrote: [\[CITE\]](#) My Review, I am no way affiliated with Illuminati.

Grammar: 9/10

It was excellent, i understood every word, maybe a few punctuation errors.

Originality: 9/10

I have personally never even heard of this method. And at no investment, i have to say, this is AWESOME.

Ease of use: 10/10

This method is really easy. It's more than semi auto pilot because once you get sales, all you have to do is confirm and deliver the good.

Quality: 9/10

I love the background color. It's not all white and bland. He added a reddish color which is perfect, i can focus fine.

Conclusion:

It's a good e-book and should work, it's not a bullshit method, so if your looking to make some money, look into this!

CASHING OUT ON EBAY IS BACK WITH HUGE CHANGES TO ITS CONTENT. CLICK ON BUY NOW ON THE BOTTOM OF THIS POST TO SEE MORE.

(Apr 1, 2013 03:47 PM)UK Kieran Wrote: [\[CITE\]](#) Cashing out on Ebay is back. It works now because of a method that I have come up with recently. I have been making great money with this e-Book so I appreciate credit for this, this will work It's a very simple little method but works very-very well, please do not get put of buying it, this will work.

Good Luck 'eBaying'

You need high feedback for this? Heck no:

(Jan 18, 2013 03:04 PM)Wapix74000 Wrote: [\[CITE\]](#) I have very low feedback, in fact I didn't have any feedback as a seller before using this eBook at all and my first sale landed me \$355. I've now made well over \$400 and I can count on one hand how many listings I've used.

You think this is old now? Heck no:

(May 16, 2013 09:03 AM)*MatK12* Wrote: [\[CITE\]](#) ***UPDATE***

It past two more days and i am amazed!!!

I changed the method little and i got results.

Thank you Illuminati™

(May 1, 2013 08:19 PM)SHIFT. Wrote: [\[CITE\]](#) This is my second earnings post, I've made well over \$1k+ using this. I've added some tweaks to it here and there, but nonetheless one of the best eBooks available on the market at the moment. Certainly one of the best I've purchased. Huge shout out to Illuminati! ? (BTW, this is the day I put the listing up!)

(Apr 20, 2013 08:24 PM)clicketybob Wrote: [\[CITE\]](#) I just wanted to come back and say I sold \$75 more worth of items today not bad considering the guide only cost \$10 it should be priced higher

(Apr 12, 2013 09:51 AM)Tinhead Wrote: [\[CITE\]](#) Proof this is still working

<https://i.imgur.com/4a6lQht.png>

Awesome guide

(Apr 12, 2013 06:17 PM)amatorlanyok Wrote: [\[CITE\]](#) I don't know what to say guys! I just had my first sale! 3.5 hours after i have made my first listing! It is FANTASTIC!! Thank you so much Illuminati!! ++

Update: 30 mins later 1 more sale!!!

(Mar 26, 2013 03:14 PM)UK Kieran Wrote: [\[CITE\]](#) Big Mofo Vouch for this method.. IT WILL WORK just buy it and you will make money, trust me.. I have been looking for a decent money making method now I found one, made £40 in 12 hours of buying it, there is HARDLY no work involved what so ever.

Just buy it and PM me when you make money haha!

(Mar 25, 2013 11:19 AM)Demon_Bunneh Wrote: [\[CITE\]](#) Just paid for this, will edit this when I receive it. :3

Vouch for this ebook! I have just read though it and it's practically guaranteed money! I would advise buying if you would like to make serious money.

(Mar 25, 2013 01:49 PM)xflixx Wrote: [\[CITE\]](#) I bought this Guide and its really simple and a good method to earn some \$ really great! Vouch+++

(Mar 24, 2013 02:53 PM)Sam Esq. Wrote: [\[CITE\]](#) Was skeptical at first, however I followed it exactly and I woke up this morning to find \$50 sale after 2 days or so. I've got a lot of interest in regards to messages and people wanting to buy more so I can vouch for this method.

It may take a week or so to see results, I put a unique twist on it myself and I've just seen my first return, all it cost me was the few cents for the listing.

Vouch to OP!

(Mar 14, 2013 05:43 AM)terrorbyteee Wrote: [\[CITE\]](#) Just bought this today, can I just say huge vouch!!!

<https://i.imgur.com/yiw0E2O.png>

That's only from today, to be honest this is the first method on this site I've actually used and it's worked so easily with literally no effort..big vouch very cheap for how effective it is.

(Mar 25, 2013 05:42 AM)Sam Esq. Wrote: [\[CITE\]](#) What can I say, just made another \$30. Am I complaining? Nope...

(Mar 14, 2013 07:51 PM)terrorbyteee Wrote: [\[CITE\]](#) I've got no rep on ebay, I made a new account simply for doing this method on. I've got 11 rep and over \$500 profit now. So thankful for this method.

(Mar 13, 2013 01:58 PM)SublimeHost Wrote: [\[CITE\]](#) Just got my first sale, vouch for this ebook.

(Mar 11, 2013 06:35 AM)waldiwaldi21 Wrote: [\[CITE\]](#) Vouch for this method ! Very easy to use, brings much money very easy. Thank you very much Illuminati.

I hope its not going to be blocked in my country.

(Mar 2, 2013 09:45 PM)Quiver Wrote: [\[CITE\]](#) THIS REALLY DOES WORK PEOPLE!

I've been using this method for about 3 weeks now and this is how much I've made. Some are saying this has been saturated but it really hasn't! It starts off a little slow but after one or two sales you will start raking in the money!

Just look for yourself: <https://puu.sh/2bcOX>

(Feb 20, 2013 02:54 PM)GooglePlex Wrote: [\[CITE\]](#) Vouch! Made £85 from this! Took me about 2 Months to make a twist on this method but eventually worked! I love you Illuminati <3

Put this in the vouches!

(Feb 7, 2013 06:09 AM)?r. X Wrote: [\[CITE\]](#) Big vouch for Illuminati™ . Totally legit seller with great services and methods.

(Dec 9, 2012 03:01 PM)Declined Wrote: [\[CITE\]](#) I seriously am impressed since most of the methods are scamming or shipping a fucking box.

I recommend everybody to buy this. (Dec 11, 2012 06:47 AM)Visualize Wrote: [\[CITE\]](#) It is 100% legit, the customers get what they want and it is not selling China goods or doing any drop shipping. This is a great method, I will leave my full vouch after I attempt it. I was busy yesterday but tonight I am hoping to see my first sale.

The eBook layout is very nice, I have to rate this 9/10. Maybe even 10/10 once I get my first sale!

(Dec 11, 2012 03:21 PM)Lepe2G Wrote: [\[CITE\]](#) Just received the eBook.

I had a quick scroll through, and I must say, it has potential to make huge cash.

OP also provides great support and tips.

I haven't started yet, because I've been busy, but I am sure to start soon.

(Dec 12, 2012 01:57 PM)Eisenhower Wrote: [\[CITE\]](#) I bought this yesterday, but just got to it today. Within a couple hours I already made \$40! Vouch for him!

(Dec 22, 2012 05:19 AM)Wapix74000 Wrote: [\[CITE\]](#) I bought and received the eBook very quickly.

Just to clarify some things for potential customers:

#1 This method will make you money if you do as the eBook states.

#2 The method is known, but the Author has added things that have not been seen before which will make you so much more successful.

#3 The eBook is very detailed and even contains images to help with the written instructions.

#4 Anybody can do this in any country and it's not illegal at all. There's no scamming, no special wording, no selling boxes or anything like that and you cannot get suspended.

tl;dr - Definitely worth buying, friendly seller, easy step-by-step, anyone can do it, nothing illegal.

Vouch for Illuminati™

(Dec 20, 2012 09:09 PM)Shekhar Wrote: [\[CITE\]](#) Vouch for this guy and his ebook. He is legit and worthy.

Good luck with sales man.

Simba™ - December 6, 2012, 7:10 am

Hello! My name is [Simba™](#) and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [Cashing out on Ebay](#)

Price: \$7.95

Pages: 24

Author: [Illuminati™](#)

Reviewer: [Simba™](#)

Average Rating: 7.8 / 10

MD5 Hash: 7fcdaea3ef1d6ee3265e62f7ec9e6db9

=====

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Quality7.png[/img]

This eBooks quality is detailed in a good manner, even though this eBook has 24 pages, the first few pages seem unnecessary and sounds like one of those eBooks you'd rather not read, but it's not the case, the mentioned method indeed works quite well. There are some specific parts which could be explained more in depth when it comes to information, other than that it's a plausible method.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/EaseofUse7.png[/img]

There's a nice a step by step procedure which you can follow easily, but due to the lack of informational images, you may have some difficulties following the method since in some steps you may get lost, but it's not guaranteed to, as a side note, there's something that you'll need in order to make this method to work, and that's a verified PayPal account.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Layout8.png[/img]

The layout in this given eBook is decent, but not great. The font used was a bit too big to make it look more professional, but there were some nice headers included, and also some pictured which were useful as well. It also included a nice "table of contents" which is a nice addition, overall you won't face problems reading because the font is clear, and the images are top notch.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Grammar9.png[/img]

There were some minor flaws which I noticed during my read, but there's nothing major about which I could criticize about.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Originality4.png[/img]

The method itself is known by many members of this site, in fact, I've done it myself last year with guaranteed profit, but there's a part which I personally have never seen before, and it's definitely usable in other situations.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

- I'd like to point out that if you're not careful enough your PayPal account may get limited because of your eBay activity.
- You require a verified PayPal account for this procedure
- There's only one part in this eBook which is not well known, but it's useful, on the other hand the base method is indeed old and known by most member on here.

Good luck with sales!

Invincible - December 7, 2012, 8:27 am

Hello! My name is [Invincible](#) and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

=====

Title: [Cashing out on Ebay V1.0](#)

Price: \$7.95

Pages: 24

Author: [Illuminati™](#)

Reviewer: [Invincible](#)

Average Rating: 8.2 / 10

MD5 Hash: 7fcdaea3ef1d6ee3265e62f7ec9e6db9

=====

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Quality8.png[/img]

The quality of information is decent. The author explains the method in great detail. All the necessary templates, site information, etc have also been provided.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/EaseofUse8.png[/img]

The author explains the method in steps which are easy to follow. The method isn't autopilot. I have personally implemented this method and encountered a few roadblocks, but a simple Google search was all it took to resolve it. The time required to setup all the things can be 30-40 minutes.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Layout8.png[/img]

Layout was commendable. The layout had some professional touches. Formatting was good and pictures included added to the beauty. My only complaint would be the use of large font size in an attempt to increase pages of the eBook.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Grammar9.png[/img]

I encountered a few run-on sentences and missing punctuations, but they were hardly noticeable.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Originality4.png[/img]

The author has given rebirth to an old beyond saturated method which worked then and which still does if applied properly. For this reason I'd rate it a four.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

A verified PayPal account is needed for this method to work.

Good luck with sales!

Visualize - December 11, 2012, 5:47 am

(Dec 11, 2012 01:14 AM)supermarioz5 Wrote: [\[CITE\]](#) this sounds a bit too good to be true. It's not scamming people, requires no investment, and it isn't dropshipping?

idk, seems a bit far fetched to be perfectly honest.

It is 100% legit, the customers get what they want and it is not selling China goods or doing any drop shipping. This is a great method, I will leave my full vouch after I attempt it. I was busy yesterday but tonight I am hoping to see my first sale.

The eBook layout is very nice, I have to rate this 9/10. Maybe even 10/10 once I get my first sale!

Azubu - December 11, 2012, 2:21 pm

Just received the eBook.

I had a quick scroll through, and I must say, it has potential to make huge cash.

OP also provides great support and tips.

I haven't started yet, because I've been busy, but I am sure to start soon.

(Dec 14, 2012 02:45 PM)Religious Wrote: [\[CITE\]](#) VOUCH : E-book is good, But this "item" didn't even sell for 99p for me :l

guess it doesn't work for everyone then? that sucks.

Illuminati™ - December 14, 2012, 2:14 pm

(Dec 14, 2012 02:45 PM)Religious Wrote: [\[CITE\]](#) VOUCH : E-book is good, But this "item" didn't even sell for 99p for me :l

You can't sell anything for 99p, read the tips. Read the whole book and follow my advice. You don't follow my advice, and as I said in the E-Book, you will fail if you do not do so.

There is enough proof to prove any statement like this wrong.

Thank you for the vouch by the way. ?

(Dec 14, 2012 02:51 PM)supermarioz5 Wrote: [\[CITE\]](#) guess it doesn't work for everyone then? that sucks.

It does, as I said follow my advice, and you will succeed. Do it your own way, and you will not. There's enough proof to prove this statement correct.

Vay - December 15, 2012, 3:33 am

It won't :)

Sent you your copy! ?

Riddick - December 22, 2012, 4:19 am

I bought and received the eBook very quickly.

Just to clarify some things for potential customers:

#1 This method will make you money if you do as the eBook states.

#2 The method is known, but the Author has added things that have not been seen before which will make you so much more successful.

#3 The eBook is very detailed and even contains images to help with the written instructions.

#4 Anybody can do this in any country and it's not illegal at all. There's no scamming, no special wording, no selling boxes or anything like that and you cannot get suspended.

tl;dr - Definitely worth buying, friendly seller, easy step-by-step, anyone can do it, nothing illegal.

Vouch for Illuminati™

(Dec 23, 2012 10:05 PM)Phyar Wrote: [\[CITE\]](#) Does this method involve using multiple accounts? Nope.

One ebay account and one paypal account is fine

Illuminati™ - December 24, 2012, 9:08 am

(Dec 23, 2012 08:15 PM)R3verse Wrote: [\[CITE\]](#) Dear sirs,

Seriously I was like - how the heck should this work.. Well I pulled my self together and read it through..

Trust me this is NOT FAKE! - you will NEVER REGRET IT. Vouch for this guy!

By the way - it do not require a lot of expertise to get this thing going..

Made my first sale on first day I posted on Ebay.. I did not even sold anything at there untill today! here is proof!..

10 / 10 - For this guide in review ! ?

Thanks for the vouch, I really appreciate this. Thank you.

Good job!

(Dec 23, 2012 09:49 PM)Rhizoid Wrote: [\[CITE\]](#) I also vouch for this method. I have read through and it will work if you try. Will report back with earnings.

Thank you for the vouch. Good luck!

(Dec 24, 2012 09:09 AM)GooglePlex Wrote: [\[CITE\]](#) Hi Illuminati,

I've completed the Adwork Media Survey. I sent you the PM with the instructions the file told me to do.

Many Thanks

Sent you the e-Book!

(Dec 24, 2012 09:11 AM)anng12 Wrote: [\[CITE\]](#) Nope.

One ebay account and one paypal account is fine

Thanks for answering his question annng12!

<3 To all my customers.

Yakz - December 24, 2012, 10:09 am

Sucks that a verified paypal is required for ebay..

If anyone has any tips on how to do this without a verified pp, pm me.

The ebook is written very well, and easy to understand i'm sure the method is fully working, but sadly it says i need a pp with cc.

Still, big vouch for this ebook.

King Cobra - December 24, 2012, 10:58 am

Vouch So Far. I haven't earned anything yet, but the guide looks very good. I've listed the items and am just now waiting for the money to roll in!

K1lla - December 24, 2012, 1:38 pm

I just got my first payment and i have to say that this is the first ebook on Hackfourms. That has made my investment for the ebook back and made me profit. Illuminati your the man hit me up if you sell another ebook ill be the first in line for the buy.

Illuminati™ - December 24, 2012, 1:43 pm

Does this involve selling items I already own?

No it doesn't involve physical items, and no it doesn't involve selling items you already own.

(Dec 24, 2012 06:42 PM)slaycrazed Wrote: [\[CITE\]](#) This is legit. within minutes, i earned my first 40 dollars into paypal

Thank you for the vouch. Good job on that! ?

drawbackK - December 25, 2012, 5:07 am

Well my listings got removed, I'm pretty sure other people doing this reported my listings. I did make two sales before this though, so my money has been made back. I will say that this method works, but there is little demand for the product compared to the supply, you will make your money back from purchasing this ebook in time though. vouch for op.

Ray. - December 25, 2012, 10:12 am

Lol, my listing got removed due to "copyright infrigment" a minute after it was sold. Looks like some people around here are reporting others.. not cool.

Illuminati™ - December 25, 2012, 10:34 am

(Dec 25, 2012 06:07 AM)crudohgod Wrote: [\[CITE\]](#) Well my listings got removed, I'm pretty sure other people doing this reported my listings. I am pretty sure on that too. Thanks for the vouch.

(Dec 25, 2012 11:12 AM)phears Wrote: [\[CITE\]](#) Lol, my listing got removed due to "copyright infringement" a minute after it was sold. Looks like some people around here are reporting others.. not cool.

It is pretty sad that people does this to prevent others from making money.

King Cobra - December 25, 2012, 4:32 pm

I made 0 sales and mine got removed. I may just list them again.

Illuminati™ - December 25, 2012, 4:53 pm

In approximately 48 hours sales will be closed until further notice and/or a new version is released.

I do not promise a new version but once it happens; everybody who has been a customer of this e-Book already will have to PM me with transaction details and they will receive a free copy of the new version.

AnAlpaca - December 25, 2012, 9:10 pm

I am interested in this book. Sent you a PM already.

Phyar - December 26, 2012, 12:41 am

Mine too got removed and I got a warning from eBay. I don't want to lose my account... ?

#REAL? - December 26, 2012, 5:11 am

i think i will buy it :)

how much i have to invest at the beginning?

Illuminati™ - December 26, 2012, 8:29 am

(Dec 26, 2012 06:11 AM)simplycracks Wrote: [\[CITE\]](#) i think i will buy it :)

how much i have to invest at the beginning?

Zero investment unless you have to pay any fees for the listings you make on eBay.

#REAL? - December 27, 2012, 8:06 am

really bro it looks great i think i can make a huge amount of money with this !;)

i will post my result later.illuminati?

can u help me on setup my first product?

Illuminati™ - December 30, 2012, 5:03 pm

Okay guys. Sales are reopened as I am working on a newer version of this product.

Buy this now if you want to get the newer version for free!

Baller12 - December 30, 2012, 10:31 pm

Hey, I really want to buy your e-book, does it include selling autodesk keys or antivirus keys?

NOTEPAD - December 31, 2012, 2:08 am

Hi bro, can you still confirm that this method is still working as I would be interested in buying!

Illuminati™ - December 31, 2012, 3:45 am

This is still working otherwise sales would have been closed!

?

Riddick - December 31, 2012, 8:32 am

I just made \$355 in one fucking sale! I literally created an auction and there were 32 bids. Also, I might add, they didn't just pay on eBay, they instantly checked out with PayPal. The funds are available in my account right now!

I'm giving Illuminati™ permission to use my payment proof in his thread to show potential customers this really, REALLY works.

JPavz - December 31, 2012, 9:13 am

(Dec 31, 2012 09:32 AM)Wapix74000 Wrote: [\[CITE\]](#) I just made \$355 in one fucking sale! I literally created an auction and there were 32 bids. Also, I might add, they didn't just pay on eBay, they instantly checked out with PayPal. The funds are available in my account right now!

Pm'ed you about this eBook!

Thanks! :)

blead0 - January 7, 2013, 5:33 pm

I bought this ebook a couple of days ago, and have been too busy to get everything set up until last night. a few hours ago i got my first sale. this ebook literally paid for its self. ive tried other ebook methods and this is the first one that actually worked, and i barely put any time or effort into this. definitely vouching this!

AnAlpaca - January 7, 2013, 6:03 pm

Hello! My name is [ZeroManArmy](#) and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

Note: I am not an official reviewer. I just like the template.

=====

Title: [Cashing out on Ebay](#)

Price: \$7.95

Pages: 24

Author: [Illuminati™](#)

Reviewer: [ZeroManArmy](#)

Average Rating: 6.4 / 10

MD5 Hash: 7fcdaea3ef1d6ee3265e62f7ec9e6db9

=====

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Quality8.png[/img]

This eBooks quality is very detailed and does have some extra fluff that really isn't needed. I have been testing and using this method for sometime now and it is working. It has become slightly saturated, unfortunately.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/EaseofUse6.png[/img]

The steps listed in the eBook are easy to follow but are not detailed to the proper extent to keep you from getting lost along the way.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/layout5.png[/img]

The layout is almost decent in my eyes. The font was much too large and centered. It does not look proper for a professional eBook. The images were great quality though and were helpful when present.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Grammar9.png[/img]

Several errors along the way, but nothing to gripe about. Still understood the entire thing.

[img]http://i1227.photobucket.com/albums/ee433/VexnaHF/Reviewer/Originality4.png[/img]

This kind of method is known throughout HF, yet the user describes how to make a profit and shows you something I didn't know. If you adapt and use this method elsewhere you can be successful.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

- If you're not careful enough your PayPal account may get limited because of your eBay activity.
- You require a verified PayPal account for this procedure

Good luck with sales!

\$200. Congratulations! ? ?

King Cobra - January 12, 2013, 6:25 am

Illuminati! Please listen to us who get listings removed. Why is this happening?!

Illuminati™ - January 12, 2013, 6:43 am

(Jan 12, 2013 07:25 AM)GooglePlex Wrote: [\[CITE\]](#) Illuminati! Please listen to us who get listings removed. Why is this happening?!

That is because you don't know how to handle digital products. You don't know how to go around eBay's "Digital Product" policy. People report your listings because you are selling digital products via eBay. You should make it look like you are selling a physical product and that way eBay won't do anything about your listings. Go ahead and ask a portion of my customers how they are successfully doing this.

Whispa - January 12, 2013, 3:04 pm

Just paid for this, awaiting for my ebook now.

Thanks for answering his questions.

One love to all my customers <3

Mundial - January 18, 2013, 5:23 am

I thought I might as well leave a heads up for anyone considering purchasing this ebook... This method will NOT work well unless you are able to post multiple listings on eBay and have at least some feedback. If you have those two things, then this ebook would probably work pretty well, but seeing as I have niether, I have not made a single penny.

Thanks and good luck.

I think you are wrong on so many points. I got a few customers who have made new accounts and still made a few sales no matter how their "feedback" looked like. Please do know that not every method has a MAGIC BUTTON that you push and get instant money from. This is not guaranteed to work with everyone and that is something every customer should know before buying anything on HF, or everywhere.

Riddick - January 18, 2013, 2:04 pm

I have very low feedback, in fact I didn't have any feedback as a seller before using this eBook at all and my first sale landed me \$355. I've now made well over \$400 and I can count on one hand how many listings I've used.

Illuminati™ - January 18, 2013, 2:17 pm

I sent you a PM back. It can be instant and sometimes they might just hold your payment for a couple of days.

Para?more - January 20, 2013, 7:05 am

Bought this before, its a good ebook vouch for the seller, glws

MrJG - January 20, 2013, 9:10 am

Sent seller a PM, very keen to buy, would be so hopefully if there was an auto buy feature!

Illuminati™ - January 20, 2013, 10:28 am

Sent the e-Book to everyone who purchased it.

Thanks for the vouches!

blead0 - January 20, 2013, 7:14 pm

Just dropping by again to say that this method is still making me money. I personally think its becoming a little saturated (maybe i'm just not putting in enough effort), but it definitely is still working with maybe 2% effort after the initial setup.

Illuminati™ - January 21, 2013, 3:28 pm

Wu-Tang Clan - January 22, 2013, 5:19 pm

Like I said before off to a bad start... Well first things first Once I made the posting of the item, my account got put on hold. I used all my legit info. eBay said it was due to the items I was selling and now im suspended. I followed every step exactly how you explained in the ebook. If you could explain what I did wrong that would be great.

Mr. Church - January 22, 2013, 6:41 pm

Pretty sure it would be better to pm OP rather than have a full blown conversation on a sales thread.

Illuminati™ - January 22, 2013, 11:37 pm

The guy is filled with negative energy, he won't try and solve anything, but complain. Thank you TheBoyWonder.

If you have any questions or concerns then send a PM. This is a sales thread, and it is definitely not made for support.

Riddick - January 23, 2013, 9:40 am

Just listed for my fifth time and I'm over \$450 from my other sales (see first post for some proof). As for that other guy getting his eBay account suspended, he's obviously not following it correctly as I've not had a single problem.

AnAlpaca - January 23, 2013, 12:55 pm

Is there going to be a new revision yet?

DaFunnymaster - January 23, 2013, 1:06 pm

sorry but i bought this and earned nothing :/ damn

Zackii - January 23, 2013, 11:55 pm

(Jan 23, 2013 02:06 PM)DaFunnymaster Wrote: [\[CITE\]](#) sorry but i bought this and earned nothing :/ damn

Too. No one will buy your (secret) on eBay.

Illuminati™ - January 24, 2013, 12:36 am

It is obvious that both of you are complete 12 year olds that don't know how to use the Internet. All you want is a magic button that gives you \$10 instantly with no requirements at all. I am done supporting anyone with the kind of intelligence as these two. If you can't do it like the others then you shouldn't purchase this e-Book. Simple. Do not buy this if you want me to spoonfeed you with useless shit that you could have done by yourself if you really wanted to.

There are loads of people still earning from this and they are doing it the smart way, following my advice, word-for-word. They are proving you wrong and will always do so. Feel bad kids. Don't purchase shit on the Internet and expect automatic payment generators.

(Jan 23, 2013 10:40 AM)Wapix74000 Wrote: [\[CITE\]](#) Just listed for my fifth time and I'm over \$450 from my other sales (see first post for some proof). accountcanberemoved - January 24, 2013, 3:11 am

Author's description of the eBook is false. I got his eBook just because I wanted to see what Illuminati has to say in it. IMO, eBook is a complete piece of shit. He is trying to talk about email marketing but he fails hard. It's obvious that he has not tried this method and just rewritten it...

You do need skill because eBook is poorly explained.
It takes days, if not weeks to start earning money and to set everything up.
User made it look like you don't need money to start but infact, if you want to get people to trust you with this, you need money, a lot of it.
And no, it's not extremely detailed, it's poorly detailed.

I've been doing email marketing A LOT in the past so I know what I am talking about.

And OP, if you are going to deny this, I will have to post proof of this, this means, making your eBook public like FockerPT's, and you will end up like him.

You decide OP.

As someone who purchased the eBook, I can correct the BS you're saying:

First off, this is eBay. So basically after you set it up, it all depends on whoever buys this.

Personally, I managed to set it up in 20 minutes, maybe half an hour and waited about a day till I got a buyer. Earned 50 bucks!

The method changed, it got easier, now the proccess of setting it up is a LOT and I DO MEAN A LOT shorter.

Earning money was never easier. Seriously, its eBay for christ sakes...

And what email marketing are you talking about? Clearly, you didn't read the eBook through.

Vouch for Illuminati, great guy, great eBook.

Cel2ic - January 24, 2013, 9:00 am

I have to agree with the above user: this Ebook has nothing to do with email marketing....I don't know what that other guy was talking about.

Still getting my footing on HF, so I don't know how much weight a vouch from me holds, but a HUGE vouch for this product nonetheless.

This Ebook was very easy to understand (excellent grammar, screenshots, clear descriptions, etc).

I don't want to give the method away, but let's just put it this way:

Once the Ebook tells you what the method is, Illuminati gives you clear instructions on how to essentially multiply this method to maximize your returns. I figured I would get to this step later, because when I was setting this method up, I didn't have a lot of time, and I just wanted to get the hang of it.

So I only set the method in place in one spot...logged online the next day and that one spot already had a sale:

[\[img\]http://s2.postimage.org/wbq6baryt/paypal.jpg\[/img\]](http://s2.postimage.org/wbq6baryt/paypal.jpg)

I could have chosen a bigger sale, but that is what happened in just a few hours after doing the bare minimum amount of work required. Setup took me...maybe 10-15 minutes after reading the Ebook.

Once again, huge vouch for this. Best Ebook I've purchased on HF yet. Good work Illuminati!

GazPromz - January 24, 2013, 9:57 am

Ok, just bought this, I will post a proper review of this when I get it.

To that crazy negative vouch about e-mail marketing, I've never heard so much bullsh*t in my life, you clearly got the wrong topic or something.

Having this eBook for about 3 days now, I can honestly nothing has been earned yet however patience is key. Also, I could've listed more whereas I've only listed one product. I will say I really WISH I had picked this up as one of the first users as I would've made \$1,000's, if not more but I do think it's slowly becoming saturated, but it still will work. Just be patient. When I make my first sale OP I will post payment proof etc!

Roaster - January 25, 2013, 10:48 am

IS this blackhat or will we be actually shipping people stuff?

Got the same error just now tried twice but same error.

Possible his PP got limited or something...

Illuminati™ - January 28, 2013, 1:01 am

No my PayPal is just fine and I have gotten three payments today without a single issue. I do not know why you are getting this error. Please contact PayPal, as this has nothing to do with me.

Feel free to PM me if you would like to try and buy this without the PayPal button.

I have PMed you with details ?

Quiver - January 28, 2013, 6:04 pm

I bought this ebook yesterday and I'm going to give my honest opinion about it.

So when I opened it and read it I must say that this method is definitely know but as one of the official reviews said, it uses a different strategies that actually do/did work.

When this ebook was first released I'm sure it was guaranteed to make you a few hundred bucks

however it has quickly become saturated. Now I'm not saying you still won't earn your money back on it because I'm positive you will but don't go buying it expecting to make a couple hundred right away.

I will post back a screenshot when I get my first sale with it. :)

Illuminati™ - January 28, 2013, 10:23 pm

It is definitely not "way over" saturated. This still works and people are actually making hundreds from it. Good luck anyways.

bcfcant - January 29, 2013, 1:04 am

My listings were removed from eBay and I used pretty similar listings to others. :(

Illuminati™ - January 29, 2013, 6:09 am

(Jan 29, 2013 02:04 AM)bcfcant Wrote: [\[CITE\]](#) My listings were removed from eBay and I used pretty similar listings to others. :(

When having issues, please do PM me instead of posting in the sales thread.

Zackii - January 29, 2013, 6:52 am

(Jan 29, 2013 02:04 AM)bcfcant Wrote: [\[CITE\]](#) My listings were removed from eBay and I used pretty similar listings to others. :(

My listings too. You don't take to cheap prices. My price is 29.99\$ now it works fine!

eBay thinks its fraud if you take to cheap prices. 29.99\$ is the ideal price ;).

?

Baller12 - January 29, 2013, 8:59 am

That's strange, eBay has just started to remove my listings, and to the guy above there are people with listings cheaper than me and they haven't been removed. I'm afraid to list now because that was my second removal and don't want to get my eBay account restricted.

Illuminati™ - January 29, 2013, 12:47 pm

Please PM with these kind of questions and I will try my best to assist you.

I have sent you your copy!

w0000t - February 3, 2013, 3:06 pm

Does this require any other form of payment, other than purchasing the method?
Is it possible to do this on an ebay account I'll create as I read the ebook?

xSadRulesx - February 3, 2013, 6:03 pm

Didn't work for me. Ebay kept removing my listings so i stopped before they completely suspended my account because it's the only one i have and i use ebay frequently.

I'm not making this post to "sales trash" your thread, just as a warning for those who don't want to risk getting their accounts suspended not to waste their money. There's no way around it, once ebay targets you they'll keep removing your listings until your account is suspended. For those of you who don't get your listings removed, you're very lucky and good job. Sucks i wasted my money on this though, good luck everybody.

Zer[o] - February 3, 2013, 9:53 pm

I read a ton of previous posts on this thread and was interested at first but lost my interest towards the later pages. It seems eBay is catching on and removing listings? Do you have other methods you use more actively I could buy?

Illuminati™ - February 3, 2013, 11:10 pm

No it does not. Yes it does work.

(Feb 3, 2013 10:53 PM)Zer[o] Wrote: [\[CITE\]](#) I read a ton of previous posts on this thread and was interested at first but lost my interest towards the later pages. It seems eBay is catching on and removing listings? Do you have other methods you use more actively I could buy?

About 3-4 posts ago there were payment proofs handed out by two customers. That is not a while ago, that is more like yesterday. People who get their listings removed brings it upon themselves. I do not know why it is happening to them and not the majority that has bought the e-Book.

It is definitely your choice though.

drawbackK - February 4, 2013, 2:03 pm

Heres that follow-up proof I promised. This was within 2 days of posting on ebay.

Fr3shY - February 4, 2013, 2:33 pm

Just threw up a listing, will reply back with my results. Thanks!

Mustnabs - February 4, 2013, 6:56 pm

Don't try to rip please. My guess is (Although I may be incorrect) that making a graphic request in return for anything (Not just cash) is also considered against the rules and since he was offering a free copy of his e-book for a signature and they have zero tolerance on people who break the paid graphics request rules he has been banned for like 1 week?

I Can't be too sure, just trying to give an answer since Illuminati is unable to right now :s.

Thanks for the e-book Illuminati, attempting the method now. Will report back soon hopefully with positive results.

Wisshm0pp - March 3, 2013, 1:24 pm

(Mar 3, 2013 02:11 PM)Coral beef Wrote: [\[CITE\]](#) My guess is (Although I may be incorrect) that making a graphic request in return for anything (Not just cash) is also considered against the rules and since he was offering a free copy of his e-book for a signature and they have zero tolerance on people who break the paid graphics request rules he has been banned for like 1 week?

This might be it. Well at least he has a nice signature after all. ?

Coral beef - March 3, 2013, 1:46 pm

It actually is a very nice signature he has. It's very impressive (Assuming that the sig he has now is one that you made :s)

I have no doubt he will still pay you if my assumptions are true.

So just PM him when he gets back.

Interac - March 3, 2013, 8:42 pm

(Feb 9, 2013 08:40 AM)Lloyd Banks Wrote: [\[CITE\]](#) Hmmmm. I haven't made any money from this yet. Also this might not be 100% legal, according to eBay policies.

Lloyd Banks, you are correct.

Illuminati, this method is now illegal, because eBay has removed my listing and plans to remove any others. Based on my conversation for why my listing was removed, you are not allowed to sell Academic Software unless you are an authorized reseller, and they can verify that.

j. Reproduce, duplicate, copy, sell, resell, or otherwise exploit for any commercial purposes, any portion of, use of, or access to the Site (including any content, Software and other materials available through the Site);

This is from the students.autodesk.com website. It literally says you aren't allowed to do anything. Your guide, well, is now obsolete. Although it may not be obvious right now, lots of listings are getting removed. This is a problem.

mgfootball11 - March 3, 2013, 10:17 pm

Just payed can I get now it wont let me pm u?

The post above just said it didnt work.

mgfootball11 - March 5, 2013, 9:16 pm

I see that Now can I get refund plz.

Illuminati™ - March 7, 2013, 12:57 pm

(Mar 5, 2013 10:16 PM)mgfootball11 Wrote: [\[CITE\]](#) I see that Now can I get refund plz.
It does work there are still customers of mine who are out there selling and making profit. Anyone who claims otherwise has failed and decides to trash sales.

I have sent an email to every buyer that purchased it with the download link -- if you still haven't got it then feel free to PM me with payment details!

I was gone for three days but now I am back and sales are up again!

King Cobra - March 7, 2013, 2:07 pm

My eBay and PayPal got permanantly suspended. Oh Well, at least I made £200 off this. I still love Illuminati but I don't think it's worth being banned for life. I can also never create a PayPal or eBay account ever again.

Wow I still appreciate you have my name on your usertitle. Damn I'm proud of myself though I am saddened to hear that such thing has happened.

Coral beef - March 8, 2013, 2:30 am

Thank you for your recent listing on eBay. The rights owner or an agent authorized to act on behalf of the rights owner, BSA (Business Software Alliance) (US), notified eBay that this listing breaches intellectual property rights. When eBay receives a report of this type of breach, we remove the listing to comply with the law.

Questions about the specific violation should be addressed to BSA (Business Software Alliance) (US)

You may not list unauthorised copies of media on our site because selling them is both illegal and against eBay policy.

Had the page up for 2 days before this happened...

0 sales.

200+ feedback account.

Not going to trash this just yet...

I plan on still attempting this method, only with a disposable eBay account using a VPN... It's a shame I have to go through a lot of effort and spend more money to attempt this method at all.

Just want to let buyers know that my account is in very good standing, the page was up for 2 days, I did EXACTLY as Illuminati said I should do and still failed.

If you're willing to risk your ebay account then I guess you can just keep re-listing when they do this and hope for the best. I have no doubt that it's possible to make your cash back. Also note that it is

Illegal...

Yah I also got this Message from eBay :(

NeViLLa - March 8, 2013, 4:08 am

I'm guessing this is where you list item, and basically say its not really the item and a guide of some sort..? Any way GLWS!

Beilinder - March 8, 2013, 11:58 pm

eBay keeps removing my listing.. But I started using this method a long time ago, Ive made around 200 bucks.. Thanks, its a shame this method doesn't work anymore :(

Illuminati™ - March 10, 2013, 11:59 am

I think it was really bad that I was still selling this, from the beginning it was really effective and now it is quite overpopulated. I'm sorry guys but it will work once it is not used by many again.

(Mar 9, 2013 12:58 AM)Big Chief Wrote: [\[CITE\]](#) eBay keeps removing my listing.. But I started using this method a long time ago, Ive made around 200 bucks.. Thanks, its a shame this method doesn't work anymore :(

You can't say it doesn't work when there's people actually still making money to this date with this method. I keep track of user listings and I see sales being made daily. You can't just judge it when you as an individual have problems with it.

Baller12 - March 10, 2013, 2:16 pm

You really should stop sales if you haven't already, if you would have listened to previous purchasers of this method you would know that this method got saturated and now Microsoft has caught on and is removing listings.

Illuminati™ - March 10, 2013, 3:59 pm

(Mar 10, 2013 02:16 PM)Baller12 Wrote: [\[CITE\]](#) You really should stop sales if you haven't already, if you would have listened to previous purchasers of this method you would know that this method got saturated and now Microsoft has caught on and is removing listings.

I stopped it and I got many hungry buyers plus I came across another problem which affected the outcome of this product.

waldiwalidi21 - March 11, 2013, 6:35 am

Vouch for this method ! Very easy to use, brings much money very easy. Thank you very much Illuminati.

I hope its not going to be blocked in my country.

Jadakiss. - March 11, 2013, 9:11 am

Puk\$on - March 14, 2013, 9:18 am

Wow! i also got it dont wanna trash sales but i didnt got a penny of it, maybe cause no rep on ebay

One Dreamer - March 14, 2013, 9:57 am

I had no rep on ebay and still made 5 sales within 2 days. Just waiting for payment to come trough.

Illuminati™ - March 14, 2013, 1:06 pm

(Mar 14, 2013 09:57 AM)SublimeHost Wrote: [\[CITE\]](#) I had no rep on ebay and still made 5 sales within 2 days. Just waiting for payment to come trough.

This just proves that some of you are doing something wrong. You know what you are doing wrong more than I would know. Use your brain and think of something. You can do anything as long as you think positive. Don't let your bad side ruin an opportunity like this for you. There's loads of hungry customers waiting for your listings. Tweak the method a bit and do something out of the ordinary, it'll be worth it trust me.

TwisteD - March 14, 2013, 6:11 pm

Trying this now, will update with results. Seems like it should payoff.

terrorbyteee - March 14, 2013, 7:51 pm

(Mar 15, 2013 01:03 AM)GEZRO Wrote: [\[CITE\]](#) Hey, is this limited to a certain country? Or is it worldwide? Hope you can get back to me, thanks.

This works worldwide.

(Mar 15, 2013 12:47 AM)ZeroManArmy Wrote: [\[CITE\]](#) Is there an updated version? If so may I have it please? I paid for V1

I'm very busy with both work and school which makes me only able to handle sales and buyer questions. A new version will be released whenever I have time, as I would want to write a high-quality version of it which takes days to complete, that is why it'll have to wait, and when it comes out I will notify everyone on this thread.

(Mar 14, 2013 07:51 PM)terrorbyteee Wrote: [\[CITE\]](#) I've got no rep on ebay, I made a new account simply for doing this method on. I've got 11 rep and over \$500 profit now. So thankful for this method.

I thank you for the kind words and in the same time I am very happy that you've made so much money with this method. Good job! ?

(Mar 18, 2013 08:17 PM)????? Wrote: [\[CITE\]](#) Not worth the money I got my ebay account banned from this

I wonder what those who made \$400+ would say about this not being worth the price of \$6.99.

?????(???)???!!!! - March 19, 2013, 12:40 pm

Well your wrong I did not make 400\$ useless

[IMG]<http://i858.photobucket.com/albums/ab143/JohnCooperS/scammer.gif>[IMG]

Make sure to check his rep before buying

Azubu - March 19, 2013, 11:21 pm

Illuminati. I was like the second person to buy this.

I must say, if you have only let 10 or 15 people buy it, it would be a very good ebook.

But the thing is, once too much people get it, it gets harder and harder and harder.

Also, eBay soon will ban and suspend your account after you re list is a few times.

Illuminati™ - March 20, 2013, 12:38 am

Look at that troll above having the time of his life. "Scammer" how have I ever scammed anyone? Pretty much 75% of the customers have earned hundreds of dollars and made much more than they spent on this e-Book, usually every e-Book seller makes the most of the method before giving it out and that is something I did not do because I do care about other peoples money and from now on I really know how it is. You guys want an e-Book seller to destroy the method and then provide proof of him having thousands of dollars and then let you buy it which results in you earning almost nothing back.

That guy who says I'm a scammer is 12-13 years old and I am not lying. He can't understand English. He can't speak the language. He can't read a book because that's what he told me. He can't do anything and then blames me for it.

And yes check my rep:

TheBoyWonder (68) - Last updated 02-11-2013, 09:07 PM

Positive (+3): bought your ebook, still making me money to this day!

JoK3R™ (8) - Last updated 02-07-2013, 11:46 AM

Positive (+1): Great guide! Thanks!

Joeyman (6) - Last updated 01-25-2013, 12:20 PM

Positive (+1): Great guide and person! Highly recommended to deal with ^^

MatK12 (17) - Last updated 01-15-2013, 12:48 PM

Positive (+1): Bought from him E-book very good, HQ member!

Iron m@n (604) - Last updated 12-09-2012, 10:41 AM

Positive (+3): <3 this guy, best user on hackforums and deserves something to recognise him for that, heres some green apples. :D

Badass (3) - Last updated 12-31-2012, 07:53 PM

Positive (+3): Why don't you have more rep..

Philly (465) - Last updated 02-02-2012, 12:05 AM

Positive (+3): Very HQ member! I can see him going far with the eyes, and brains he has.

Other than the mad reputation I've gotten that I never deserved, I see a pretty good reputation. Thank you for being so ignorant anyways.

I have haha, made £20.00 over night and have a watcher on the other products :D

this method is legit as fuck!!

buy it, if you want money!! requires a verified paypal though for the heads up.

~SadFace~ - March 24, 2013, 9:17 am

just bought ur e-book sendd u private message with email and id hope to get it soon:)

Social Engineer - March 24, 2013, 10:47 am

Clear proof is available on this thread that the method works, it would be silly of you to not buy it.

gon4eva - March 24, 2013, 2:53 pm

Was skeptical at first, however I followed it exactly and I woke up this morning to find \$50 sale after 2 days or so. I've got a lot of interest in regards to messages and people wanting to buy more so I can vouch for this method.

It may take a week or so to see results, I put a unique twist on it myself and I've just seen my first return, all it cost me was the few cents for the listing.

Vouch to OP!

GodZhu - March 24, 2013, 9:43 pm

Now I've got to say, since I'm on vacation I can't start this properly so I'll give my current impressions on it as I progress.

I'm a 15 year old teenager, and I bought the ebook about 1 week ago roughly, and I read through the ebook. It surprisingly is simple to do, but I saw some of the reviews/Vouches telling everyone that you would need a verified paypal email and so on so forth, and account suspensions. I'd just like to make this clear. Is this saturated? and will it still be possible for someone like me?

Just my own opinion and input. Thanks.

Illuminati™ - March 24, 2013, 10:20 pm

blackhatuser - April 11, 2013, 8:17 pm

Is this method still working ? please let me know..

Gundam X - April 11, 2013, 9:44 pm

This method is so public, it's not worth it. I'm sorry I'm not vouching but I'm really disappointed on how you are selling such a public method and your twist is pure common sense, it's not going to take long to figure out. I don't ever talk bad about an ebook but I was expecting a little more, and the method is super saturated. Sales could take a long time and at a very low price.

GodZhu - April 11, 2013, 10:42 pm

(Apr 11, 2013 09:44 PM)Elite L3g3ndary Wrote: [\[CITE\]](#) This method is so public, it's not worth it. (Apr 11, 2013 08:17 PM)blackhatuser Wrote: [\[CITE\]](#) Is this method still working ? please let me know..

Yes it is, people who have complained are just failed in life because they cannot do something so simple and easy that was created for lazy people. Go a few pages back and check the latest vouches. Buy it with confidence is all I can say.

This e-Book is not saturated due to the recent method that was added, so saying that would be sales trashing and reportable.

I have said it before and I'll say it again, if you don't have a verified PayPal and/or cannot get one, then do not purchase this e-Book. Thank you for your precious time.

(Apr 9, 2013 06:56 AM)Tinhead Wrote: [\[CITE\]](#) Vouch for this, this is still working, and you will not get you Ebay Account Banned.

(Apr 12, 2013 02:55 PM)Illuminati™ Wrote: [\[CITE\]](#) There will be a day where that happens. I want my current customers to maximize their profits and make the best out of the method.

Yeah I agree, this method isn't saturated but it may become so if people keep using it. It's a great method though.

Laszlo - April 12, 2013, 6:17 pm

I don't know what to say guys! I just had my first sale! 3.5 hours after i have made my first listing! It is FANTASTIC!! Thank you so much Illuminati!! ++

Update: 30 mins later 1 more sale!!!

Titanium³ - April 12, 2013, 8:26 pm

I can't even keep my account from getting restricted.

They tell me that my account is restricted, then I must call eBay, then they ask me a bunch of info that I don't have access to.

I did your method to keep your account from being restricted, but I still get restricted.

If you have an eBay account that has it's information completely verified, then this method would work. However, if your information isn't in a public database, then you will have to fax eBay some sort of proof of identity to keep your account from being restricted.

Illuminati™ - April 13, 2013, 4:07 am

I don't know why that happens but my method works, and it keeps your listings from getting removed. Apparently you have another issue with eBay considering they want you to provide some kind of proof of identity. That is not in my hands. I'm sorry.

(Apr 12, 2013 06:17 PM)amatorlanyok Wrote: [\[CITE\]](#) I don't know what to say guys! I just had my first sale! 3.5 hours after i have made my first listing! It is FANTASTIC!! Thank you so much Illuminati!! ++

Damn you are making more than expected. Good job, it is truly amazing how much you have made so far in just a short amount of time.

As per customer request the price of the guide will be raised tomorrow (Monday 22th April 2013) so grab a cheap copy today.

Laszlo - April 21, 2013, 6:14 am

Hey Guys,

This is my proof, after 3-4 days.

I did not sell for a while now, because (since i am new ebay seller) i have limits on my account for my first month.

But look at this:

My best \$10 investment ever!

Wanna thank you one more time Illuminati!!!

DRose - April 21, 2013, 7:01 am

I've purchased this and I can vouch for Illuminati™ that this method will help you make money. I'm on the verge of setting this up and will post back results soon after my first earnings. :)

Relayed - April 21, 2013, 9:46 am

Just bought, looking forward to this :)!

Eaesi - April 21, 2013, 11:54 am

Here's my second vouch, as I've made some money.

This method is great, as specially if you have some monetizing experience via eBay.

I made a few edits and got a little creative, and here's my Paypal balance. Last night, it was at about 40-45\$. ;)

Huge vouch!

Dinho™ - April 21, 2013, 12:09 pm

Bought it. Cant wait to try this out !

- Waiting for u will sent it to me.

Coindergaps - April 21, 2013, 12:17 pm

I am still getting constantly banned >.< No idea whats wrong

If you haven't then PM me your PayPal email and transaction ID.

???- ?Z -??? - April 29, 2013, 2:36 pm

Posting an Anti-Vouch Update:

This method is shit, and if you're not careful, your account will be removed for copyright violation, just don't buy this shit.

Relayed - April 29, 2013, 9:23 pm

If you follow the instructions properly and take precaution, this will work. The method is pretty susceptible to saturation, but it works nonetheless.

AnAlpaca - April 29, 2013, 9:31 pm

Yeah, the method is saturated now... Sucks. Well it was a good run while it lasted.

Alternate222 - April 30, 2013, 9:56 am

Yes ebay remove all listenings from autodesk now^^ well its saturated...

Ebay limited my account for 7 Days now -.-

They will see a resell license from autodesk

Illuminati™ - April 30, 2013, 10:27 am

It is not saturated there are actually people making money from it.

(Apr 29, 2013 09:23 PM)Burberry Wrote: [\[CITE\]](#) If you follow the instructions properly and take precaution, this will work. The method is pretty susceptible to saturation, but it works nonetheless.
This.

???- ?Z -??? - April 30, 2013, 1:32 pm

"It is not saturated there are actually people making money from it. "

No, just no, my damn E-Bay account got closed due to Copyright Violation...

AnAlpaca - April 30, 2013, 9:08 pm

Yup. It's done and over, had a good run.

Tinhead - May 1, 2013, 2:50 am

Strange that you are all having problems, but it seems to be working fine for me, not getting Listings

Removed or anything.

I have made around \$100 using this now.

Illuminati™ - May 1, 2013, 5:33 am

(May 1, 2013 02:50 AM)Tinhead Wrote: [\[CITE\]](#) Strange that you are all having problems, but it seems to be working fine for me, not getting Listings Removed or anything.

I have made around \$100 using this now.

As I said, there are still people making money from this. Use your brain, it helps sometimes.

King Wizard - May 1, 2013, 8:19 pm

This is my second earnings post, I've made well over \$1k+ using this. I've added some tweaks to it here and there, but nonetheless one of the best eBooks available on the market at the moment. Certainly one of the best I've purchased. Huge shout out to Illuminati! ? (BTW, this is the day I put the listing up!)

clicketybob - May 1, 2013, 8:46 pm

Yeah I just sold \$200 worth in the past 4 days so this method is still going strong.

edit: sorry about that

Illuminati™ - May 1, 2013, 11:26 pm

I made all this money in one night:

Vouch for Illuminati™ he his amazing man and helped me all the way!

Thank you MatK12, I am amazed by how far you have come using this method. Amazingly done!

(May 15, 2013 10:12 AM)igotthis Wrote: [\[CITE\]](#) i made good money for awhile with this but then my eBay and papal got suspended from it so aware ebay will get you with copy write.

(May 15, 2013 12:48 PM)Reliant. Wrote: [\[CITE\]](#) I bought the eBay method but every time my account gets restricted even when I use the solution, any help.

Basically eBay has started to catch up again due to the amount of people using this method, I have also noticed that people who use this method are reporting other people who are also using this method to gain more attention to their listings. It's a problem that does not have a solution, however this is where your "brain" comes into play. Be smart, I'm sure you'll find a way out.

Jerral - May 15, 2013, 3:59 pm

i would like to ask something..is this method 100% legal? i ask that because i see people complaining about getting their accounts restricted...

Antec - May 15, 2013, 10:01 pm

Just bought this ebook, and find out he's unregistered -.-

That's freaking incredible, one of the best, if not the best. Amazingly done MatK12! ?

BlackDog™ - May 16, 2013, 12:23 pm

UPDATE

I don't have time to take a screenshot but:

Total sales: \$1,063.22

Tinhead - May 16, 2013, 1:18 pm

I have also been selling the software fine, havent made us much as MatK but still I am making money.

The problem I am having is I am only allowed to sell a number of listings in a month so I have to wait 30 days before I can list anymore, how do you sell so many in a month Matk12

View - May 16, 2013, 2:36 pm

My second ebay account has got banned too for same reason.

Frogski - May 22, 2013, 3:45 am

Is this method still working? If so, I might buy it :)

Tinhead - May 22, 2013, 3:51 am

(May 22, 2013 03:45 AM)Frogski Wrote: [\[CITE\]](#) Is this method still working? If so, I might buy it :)

This is working for some and by the looks of it, others are having problems.

I myself haven't had any problems yet so and all my products are selling ok.

Frogski - May 22, 2013, 4:37 am

(May 22, 2013 03:51 AM)Tinhead Wrote: [\[CITE\]](#) This is working for some and by the looks of it, others are having problems.

I myself haven't had any problems yet so and all my products are selling ok. Alright, how much have you made from it?

Tinhead - May 22, 2013, 7:46 am

I have so far made \$152.38 by using this guide, and I stopped for a month and have started back up again and it is still selling for me.

Beilinder - May 22, 2013, 7:49 am

How do I make this listing stay listed? I got it removed. Could you PM me?

Jerral - May 22, 2013, 1:34 pm

hello! i got my listings removed...can someone pm me a solution to overcome this? thanks

Antec - May 22, 2013, 4:58 pm

This method still works. So far I've made \$89 hehe (sold three products)

I will post proof later on when I am on a computer.

Eaesi - May 22, 2013, 10:27 pm

Hello! I've made over 1,500\$ USD from this method in about a month and a half. I've never had any problems but listings have been constantly getting deleted for the last few days. (not just me) My personal recommendation would be to stop selling this method to prevent issues with future buyers. You should enjoy what you've made so far, and move on. eBay has been catching on to this method and is clearly taking action. Just looking out for you, as you have helped me pay for my vacation in June. ;) See you around!

Illuminati™ - December 4, 2013, 3:29 pm

Cashing out on Ebay is back with huge changes to its content!

Please see the "Buy Now" page for more information.

Price will be at \$7.95 throughout December.

drawbackK - December 4, 2013, 3:54 pm

Interesting.. do previous customers need to purchase again?

Illuminati™ - December 5, 2013, 5:44 am

Visionz - December 6, 2013, 3:39 am

My Review, I am no way affiliated with Illuminati.

Grammar: 9/10

It was excellent, i understood every word, maybe a few punctuation errors.

Originality: 9/10

I have personally never even heard of this method. And at no investment, i have to say, this is AWESOME.

Ease of use: 10/10

This method is really easy. It's more than semi auto pilot because once you get sales, all you have to do is confirm and deliver the good.

Quality: 9/10

I love the background color. It's not all white and bland. He added a reddish color which is perfect, i can focus fine.

Conclusion:

It's a good e-book and should work, it's not a bullshit method, so if your looking to make some money, look into this!

triku25 - December 6, 2013, 5:47 am

in how many time after starting can i have the first income/sale?
is this directly going to my paypal?

i think i will totally buy this soon...

Cycloned - December 6, 2013, 6:17 am

Does this require an investment? And if so, how much?

Illuminati™ - December 9, 2013, 1:12 pm

Sorry I've had so many things to do it just got my head spinning around. But I'm really happy you got around it and made profit from this e-Book. I appreciate the payment proof. Thank you for the amazing vouch.

The e-Book will be \$8.50 until' Friday (tomorrow). It's just a limited time offer, don't forget.

(Jan 8, 2014 03:00 PM)seanz25 Wrote: [\[CITE\]](#) Just purchased. Hoping to receive in next few hours and that I can get similar results to others!

I have sent you a PM regarding your purchase. Thank you for your payment and have fun making money.

(Jan 8, 2014 07:51 PM)Moshiro Wrote: [\[CITE\]](#) I want to purchase this, is this worldwide? Because I'm from the Philippines and some eBook i purchased restrict on specific country.

Yes this is worldwide.

nister5 - January 8, 2014, 9:20 pm

Just purchased this after long consideration. Hope I will actual make money off a eBook. Will update

later and show earning proof if it happens. Just waiting for the password now.

Xyvenas - January 9, 2014, 7:32 am

I've bought it too. (added a Memo on transaction). Waiting for my password :)

Thank you for purchasing, I have sent you the password. Good luck!

seanz25 - January 9, 2014, 3:09 pm

Okay I've bought this and set it up - will post a full review soon. However going through eBay to see competitors my concern is that a lot of people on here are using the method and are selling the product cheaply and pretty much devaluating it - meanin that those big results are unlikely if any. Hope I'm proven wrong however that's what it appears like to me.

Illuminati™ - January 9, 2014, 7:49 pm

Price is now at \$12.95 - I hope you guys enjoyed the amazing discount.

I'm currently open for sales and questions.

Nugs - January 9, 2014, 10:28 pm

How long will it take to start earning?

lilphillog - January 10, 2014, 3:39 am

Is this another updated version like 3.0 or something? Also can you reply to seanz25 concern because i would like to know your input on that - "sean25 wrote : Okay I've bought this and set it up - will post a full review soon. Xyvenas - January 10, 2014, 5:30 am

I've bought it, got the password. Everything seems fine. I'll write the review after someone buys my item on ebay.

It can take up to a day or two. Or maybe a few hours after you set everything up.

This is the first update. 2.0 that is. There are competitors everywhere, every single e-Book sold on

here can have a private "unseen" method but due to it being sold to the public, you can already guess that method is already being overused. The good thing about this is no, it does not devalue this e-Book. Lower prices on listings makes it so customers think it is less reliable than the higher-priced listings. Put yourself in the situation of a customer buying something from eBay. Lets say you want to buy a pair of Nike Shoes (This is just an example, it doesn't mean they have anything to do with the method) and you see a pair for \$5 and another pair for \$134. Which of these listings would you trust and get? I already know the answer of that. Unless you're really stupid, you would definitely pick the other listing due to its reliability, and yes a higher price definitely makes something reliable because normally Nike shoes are expensive, and so are the items that are being used in this method. So no, lower prices won't devalue anything.

I hope that cleared out the confusion.

Thank you once again for buying. I hope everything goes perfect for you. Good luck man. Expecting a great review. ?

I Am JT - January 11, 2014, 12:30 am

Wow seeing the new update brings back some memories. I owned the v1 version of it when it came out in 2012 and thanks to how little people seemed to be using it on the Australian Ebay I made a few thousand from it. I don't know what the guide consists of now but I'm sure it's still interesting.

Illuminati™ - January 11, 2014, 11:46 pm

As of today (2014-01-12) Cashing out on Ebay has changed ownership and the new owner of this legendary e-Book is now [I Am JT](#).

It was a great run while it lasted. Thank you all for the amazing feedback and love you have showed me throughout the time this e-Book has existed in. I really appreciate everything. Thank you once again.
