Thread: [\[FREE\] Simple Thread Layout \[.PSD\]](#)

g0han - December 6, 2012, 11:02 am

Hi guys, I created a simple thread layout based on a comment box I found online. I will be giving it out the .PSD for free to anyone. I hope to create more free graphics for you all soon aswell because I just got CS6.

Alternatively: Post here and I may send you a direct link to the .PSD if I get round to it, no guarantee though and it may take me a while to do

Also I have made a similar signature:
