Did you find any flaws and reported them and got on those lists?

Really nice work!

Yes

1. Facebook (Very potentially dangerous bug which I am keeping private)
2. Microsoft (XSS)

Great job bro, I'm proud of you! HF represent son!!

Jordy - December 7, 2012, 1:50 am

Well done buddy, Keep up the good work!

What is the theme of the first picture? (Windows)

And why did you use two different machines to take the pics? :P

Mrbadguy - December 7, 2012, 1:51 am

Thanks for the gratz brothers ?

Good job bro.

I am having Google Hall of fame and Apple Hall of fame in same year. :D

2012 has been a very good year for me till now.

I am looking forward to get Microsoft and FB. Already reported xss in microsoft, got conformed and still in process(from last 1 month).

Good luck to you bro. :)
