Thread: [How to get a free otterbox in less than 10 minutes\(Direct link\)](#)

Wyoming - December 9, 2012, 12:22 am

For those of you who don't know otterbox makes cases for iphones, and many other types of phones. The case completely protects the phone and is worth around \$50. Today I am going to show you how to get one absolutely free. To get this post bellow then Pm me. This is an e-book and I do not take any credit for making this.

Edit: Direct link:
