Don't trash my thread because you scam non upgraded members. You're pathetic. You need to scam to make money. LOL.

I have more than enough proof I'm not sketchy, however you need to get checked.

If that's what you feel safe doing, sure. First, I'd like you to read my TOS and make sure you abide by it. I'll PM you my skype once you PM me.

Edit: I'm an idiot. Let me add my TOS up xD

Made a thread layout on another site and forgot to upload it on here as well.

You can. I just make sure the user has a verified paypal so it doesn't fuck over on me.

Oh, my PP isn't verified yet, it will be within 2 days though.

But may I ask why that's a problem if it's not verified? I'm new to PP :p

It's so I know its your actual account. See, I sold 262M for \$110 and the kid who paid me used a carded PP and I wasn't aware of it. So, when I logged into paypal, Paypal held the money and after 7 days, they sent it to the original account. So I lost all my RSGP and the money.

Ok I see, I can't buy today than. Will contact you back within a few days once it's all verified.
