I'm a tad late, but I'd just like to let anyone else who doesn't know that the new Hellsing Ultimate episodes have been dubbed and released! Vol 5-8 have finally been dubbed (it's about fucking time) and now I have a new item to add to my Christmas list!

The majority of people in this section religiously watch subs...

Anyway, I have Hellsing on my watch list but it isn't high up :).

Peppy - December 10, 2012, 1:27 pm

Oh, I didn't know that. Sorry, not a huge anime fan here :/

Not that I don't want to be, just don't have a lot of time and I don't know what would be good...

I don't, but I really liked the voice work on Hellsing ultimate.

Still people who only watch subs are kind of ignorant tbh.

Don't make me smack you hoe!

I only watch subs because dubs are bad 99% of the time. Only good dubs was soul eater. ?

This is a rather blunt claim.. I've never finished a dubbed series my whole life (exclude pokemon), but I've tried a dozen. In the end it all comes down to preferences.

I remember Hellsing being my first anime I watched, when I was aware of anime.

If not it probably was pokemon or DBZ.
