Why should I get you approved in AWM and teach you PPD/CPA:

Why should you get me approved and teach me?

I have some reasons :

First of all, monetizing world is a very interesting place of the Internet, I tried to get into it but never succeed and I will really like to earn some money.

Secondly, Knowledge = Power and even money in our case ;P

And to sum up - the final reason that I will write here is that I am very interested in earning money and I will really like to learn about it .

I really have a lot of free time , I am learning quick and I believe that I can make a lot with your help And I will sign under you if you would like ;)

Thanks for the thread and good luck for me or for everyone
