Make sure your response is detailed !!

Heres an example of my response,

This will earn you in the 0.20 - 0.30 zone Make sure you set your exper @ 7-8 ?

Quote:To start off with, this sound track has a smooth touching rhytm to it. Making your astmosphere more peaceful and quiet. It has a good mixture of lyrics and use in instructmentals e.g panio. A good structure of lyrics and beats. The genre of this song would be classic and more aimed at adults rather than children/teenagers. it has a smooth touching tune throughout the sound track. The use of lyrics used makes you more aware of the song type. I personally think this song has the commercial potential to become a success and go beyond. It would have space in the charts for this type of music. Its a really enjoyable sound track for everyone whos interested in classic/moving songs. A good composition throughout the song makes it better.

Site looks good, and forsure you can make some cash. Earning 10\$ les then an hour is not true, it il take many hours to brake 10 bucks.

Plus the site wants your paypal email to be your sign up email, so becarefull when registering or els you waste time.

Overall a 5/10 for this.

Thanks for OP for the link.

Very good method, i'm actually close to 10 dollars. I'm going to write my own ebook with a helper program that will let you copy and paste, since you aren't allowed to do that.

That would be an interesting task, if you get to do that, tell me about it.
