There are very few ways other than somehow hacking into the Hotmail servers and getting them.

? LOL are you crazy? Only the most elite hackers in the world would be able to do that. Hotmail is THAT secure.

ahmed1ahmed1 - December 16, 2012, 1:23 am

i know that but i think there is programs can do that

There's no programs doing this actually man ..

ahmed1ahmed1 - December 22, 2012, 2:18 pm

i know that

but there is any person can help me with any way

So you want a super elite hacker to code a program that will bypass hotmail's security which will make cops look for him just for you ? I don't want to be rude or flame but you have 10 posts ATM so don't expect anything like that.
