Thread: [\[Hacked\]Codebox Romania Forum](#)

b001ean - December 14, 2012, 11:36 am

Got bored, so Just hacked and notified them. Nothing changed but the logo.

Wish they'll reply.

Very nice what does the new banner mean though O.o

EDIT : Lol my bad :3 I think they should keep the banner it looks great ... Nice one !

engr?ze - December 14, 2012, 1:32 pm

I personally love the change banner kind of sign that they got hacked instead of a stupid deface.

Good job.

5NiP3R - December 14, 2012, 3:22 pm

Nice subtle change. Makes more sense than the usual crap you get here..

.edu - December 14, 2012, 3:31 pm

Good idea

I might start doing that.
