Black Hole - December 14, 2012, 8:59 pm

As seen on TV!

[Last week's poll results:](#)Results [\(Click to View\)](#)

Seems our little community here is just a little torn between whether they indulge in ecchi, or simply tolerate it. BUT! AVID ECCHI VIEWERS HAVE PREVAILED!Click for an Ecchi wallpaper(nsfw) and an AMV! [\(Click to View\)](#)

This week's poll is all about the anime merchandise! For this issue of AAWP you will be voting for your what you think about anime merchandise!

Explanation [\(Click to View\)](#)

For this vote we are focusing mainly on the more...otaku-ish merchandise. Those oppai mouse pads, body pillows, figurines and even cosplay. Obviously almost everyone would buy manga and anime if they don't already and most would even go so far as to buy clothing and maybe jewelry. But what about the other stuff? Where now you can tell me!

The question: Would you buy Otaku Paraphernalia? Your choices:I've already got some!

I totally plan to.

I would if only I had the cash (or: I am not allowed).

Maybe just a little...

No, I will just stick to watching and reading.

God no, that shit is creepy.

There you have it guys, your 23rd AA weekly poll!

Poll specs: Feel free to leave a comment saying why you picked the choice you did. Feel free to debate/flame/rate and hate. Poll is public and single choice only. Poll will close in 5 days. POST PICS!!!

Got an idea for our next poll topic? Suggestions or comments? [PM ME!](#)

DarkShadowz - December 14, 2012, 9:03 pm

I've got plenty of wallpapers, a few figurines, a bookshelf of manga, a few anime shirts, and a few anime collectibles (cards, keychains, etc).

TBH though, I barely even use them and just have them laying around.

I have some posters but that's it, I can't afford to buy nice things. c: Posters were also a gift.

Black Hole - December 14, 2012, 9:09 pm

Okay, I may have to unspoil the explanation spoiler because I mean the hardcore Otaku stuff....everyone would buy manga, clothing, dvd's etc if they had the cash, but are you comfortable enough with your hobby to have body pillows and oppai mouse pads lying around your abode?

First of all, whether I was comfortable with it or not I would never buy body pillows, or own anything with ecchi in it. I despise ecchi. I do own some cosplay items that I wear to school regularly so I voted that I already own some. Also might have a poster or two.

Hentai? - December 15, 2012, 10:39 am

I would seriously buy some normal anime stuff anyday, and if I get more money I will buy some ecchi and hentai stuff in a heartbeat. <3

Black hole I like your polls there entertaining and fun. ^_^

Arruke - December 15, 2012, 11:05 am

No you wouldn't. Not badly meant, but you're a typical betafag.

Voted for plan to. Going to buy some things online with my next payment.

The only physical anime-related merchandise I currently own is the Evangelion 1 DVD Happeh bought for me <3

Anyway if anyone's wondering, the next issue of AA Weekly should be out in a day or two. Both of us have been rather busy with work/exams and shit.

Spoiler ([Click to View](#))You call that trolling? ???

@Black Hole

Someone rated it 3 stars before me. >.>

Dyme - December 15, 2012, 9:31 pm

I would get the regular shit if money wasn't an obstacle (posters, shirts, etc), but I think I would draw the line at figurines.

Great AMV though, mostly because they had the senjougahara back bend in there ?

Focusal - December 15, 2012, 9:32 pm

Oink. If I had the moneys and not paying for college, but then again, I think I actually go all out and buy the pillows and figurines if I had the space in my room >.>

Eminent - December 15, 2012, 9:54 pm

I bought a CC mousepad, but not like that one lol. I would probably buy the Soul Eater Ring

Ooooh, CC. I probably need a new mousepad ^^

Iquoris - December 16, 2012, 9:13 am

Damn, I clicked the wrong one. Meant to click 'Maybe just a little...'

I would like to have something little, but I know that if even if it's just one, little thing, my family will get creeped out, and we'll start having 'talks' (they, like many other Americans, regard animes as 'childish' and 'stupid').

Or maybe I'm just imagining that. Either way, I'm broke at the moment, so I can't even afford such things ?

Senior Sherlock - December 16, 2012, 1:29 pm

I have an onahole with a school swimsuit I made for it, and for less disturbing part I also own several Higurashi statues and figures.

Black Hole - December 16, 2012, 7:03 pm

Little update with the first anime related items I have ever bought (aside from dvds). Treated myself to Christmas ^^

Sir Smiles - December 18, 2012, 1:27 pm

I'd be more than happy to get some, but in Kansas, I have yet to see anything in person, and I'm not interested enough in anything to buy it online.

I figure it would just sit in my room though, which seems like a waste to me.

Princess_Bubblegum - December 18, 2012, 1:34 pm

I would get some figures, and posters. The anime mousepads and costumes are a little bit too much for me.

Black Hole - December 18, 2012, 10:15 pm

Damn...we have a tie. Only one day left, get your votes in!

Origami~ - December 19, 2012, 6:24 am

Maybe just a little, but only posters or atleast mousepads, because I don't like too much dolls or costumes.
