This isn't SPAM

Hello HF Members, I'm here to offer a very rare chance for you. Me and my grandfather have started our business discounting prices for energy and gas. We joined Ambit a week ago and we already have free energy! No joke, I'm not here to BS You. If you Would Like to gain these discounts I urge you

to look at the "Rates" in your Area :D <http://savelotsonenergy.myambit.com/rates-and-plans> Feel free to look around and learn about the program. If you would Like to help me or start your own business w/ consultansts you can trust go here: <http://savelotsonenergy.ambitenergy.biz/>

Thank you and Best of regards to this great community.
any questions feel free to pm me.

If you have Either Duquesne Light or Peoples Natural Gas, And live anywhere in California, Connecticut, Illinois, Maryland, Massachusetts, New Jersey, New York, Pennsylvania, Texas and Washington, D.C. – You qualify to reap these discounts.

Dear Prospective Customer,

I think you'll agree, there are times when the charges on your monthly energy bill can be downright brutal.

But you don't have to be among the uninformed consumers that keep paying high rates, because I've partnered with a Dallas-based company called Ambit Energy that is saving people money on their monthly bills. In Texas, customers save up to 20% off their incumbent provider's peak usage rates. Customers in Connecticut, District of Columbia, Illinois, Massachusetts, Maryland, New Jersey, New York, and Pennsylvania are also enjoying great savings with Ambit Energy.

Isn't it time to stop paying too much for your household energy? Ambit Energy offers you significant annual savings! Now is the perfect time to join hundreds of thousands of Ambit Energy customers who are saying no to high energy bills. Enroll today and you could save! Enroll today, and you could earn FREE energy. More on that to come.

Sincerely,
CraveHF
