This is a new method for me. This very well explained, detailed step by step, I asked a friend if he knew of this method and said yes, it still is generating high income \$\$\$. Well, if you are new PPD Recommend this book to generate some \$\$\$.

I liked it, so I'll get to work on it.

I would like a vouch copy, if possible.

kwak - December 24, 2012, 6:19 am

No more vouch copies will be sent. (2/2)

ariton - December 24, 2012, 6:22 am

At least post some goddamn proof and tell us the reason why you're selling it for just 5\$.

kwak - December 24, 2012, 6:25 am

Two vouch copies have been distributed.

I'm selling it for \$5 because this method is so easy that I don't know why nobody has thought about it

before. Just wait for the reviews.

Well if the method is that easy and never heard before, why sell it that cheap?

Because I don't think this method will be saturated, you can use it in so many places.
And if you had read my previous threads, I believe that Human knowledge belongs to the world, so five bucks is achievable for most of HF users.

Let it be like that, but I guess you'd profit selling it for a higher price.
Anyway, that's a decision you have made yourself, so good luck with sales.
