What do you plan on using the webhosting for : A public & free booter that hits hard and has no time restrictions.

Why do you deserve this : I am a HQ member that offers a GFX service that some consider to be 'Better than Payed' for free.

It is nice to be rewarded every once in a while and I would like to win this to set up a free booter that hits hard ?

Contest Closed People, Will be choosing the winners in a couple of minutes.

Edit:

I had trouble deciding between three people so I have decided to give it to all three of those guys!

Congrats to :

ComponY

Kirito

M1N3RM?N

I will be pm'ing you guys shortly !
