Upload link to another hosting website.

Put link into notepad > place in folder > .zip it > upload to sc

And you should be fine.

Check the download link on the first page mate, dont understand why you would post that when direct link on first page.

Good - luck.

ConfidentialEU - February 17, 2013, 3:42 am

Great post mate! Looking forward to trying it out.

aha no problem and yeah last method is a strange one but it can work, just improvise you know.

And for everyone else the download link is in the first page stop saying " please pm me link".

Theddy - December 7, 2014, 9:32 am

Can i have a copy of this eBook too ? Thanks in advance !
