Thread: [Accused of Murder.](#)

juniiflow - December 30, 2012, 7:15 am

They have currently tell me i am in a murder case,
and that i killed someone.

but i didn't kill no one.
and the person who is supposedly kill...
it was, it was , it was..

Now i don't really know what to do ?
i been accused very bad, they also say that that photo is proof.

There are also some people in this forum that are planning to call the police.
and also give them my IP ADDRESS.

guy's i am afraid, what can i do in this situation?

EDIT:

You should follow these steps broski.

- 1, Learn correct English.
- 2, Delete this thread before too many users see your bad English.
- 3, Re-make thread using the correct English you learnt in step 1

:)

:)i am not american, therefore i should not use correct english.
anyway's you should help me, instead of looking at my grammar.

JackTehRipper - December 30, 2012, 7:30 am

Seriously, that doesn't make sense. "i am not american, therefore i should not use correct english."
Why shouldn't you use correct English if you're not american. I'm not American and i try to use proper English.
No one can understand what the hell you're talking about, who the hell is ushio, please be more clear and stop repeating what you already said.

I don't know what section you think you're in but a huge majority of the people here know who Ushio is.

OT: This is an amazing quality thread and I can easily see you becoming Stealth Jr.™

But you're on an English speaking forum.

Also this is a shit-tier thread in AA; we seriously hitting this low? Even the threads calling anime shit are funnier and better than this.

Caught a glimpse of this thread just before I left for work earlier, thought for sure it'd be gone by the time I'd get back...

I believe there's supposed to be some pruning going on right now, Tas do your job.
