Thread: [Sakura-so no Pet na Kanojo Review](#)

Nathann22 - December 30, 2012, 8:48 pm

This review is for Sakura-so no Pet na Kanojo also known as The Pet Girl of Sakurasou.

Synopsis

The school romantic comedy revolves around a second-year high school student named Sorata Kanda who lives in Sakurasou, the dormitory for problem children at Sorata's school. One day, Mashiro Shiina - a cute girl who happens to be also a cosmopolitan, brilliant artist - moves into Sakurasou.

Sorata thinks to himself that he should protect Mashiro from the weirdos at Sakurasou, but Mashiro has a surprising secret: she has no idea how to take care of herself. She gets lost if she goes out, and her room is a complete mess. Sorata's dorm mates designate him as the "master" of Mashiro, and thus, an ordinary boy and a brilliant girl must live like "a master and his pet."

Story: 9/10 I thought they conveyed a very nice love/ reaching your dreams story.

Characters: 8/10 I really liked most of the characters in the show, you can easily tell who they skimmed on though.

Music: 6/10 I really did not care for the music too much, It might just be that I like darker music but who knows.

Animation: 9/10 It's a rather new anime (Second season is going to be released next year! ^^) so the animation is amazing, they got the body's down just right. ;)

Overall: 8/10 I would recommend this to anyone who loves a good romance Anime.

Also I would really appreciate if I could get any feedback on anything I missed or if I should just not write reviews in general!

Thanks ^^

Just started watching this anime, and while the ecchi is senseless...it is so fucking good. I loove the white haired girl....can't fucking think of her name >.<

Anyway, good review man. Maybe include some screenshots though, the animation might seal the

deal.

EDIT - I was all like "YAY SCREENSHOTS" and then they didn't work and I was like "Baaw :("

venusuar - December 30, 2012, 8:59 pm

It's on my to-watch before winter vacation ends anime list. Good to hear that it's good. Also the review should include thoughts on the animation due to that being a key factor in me watching anime.

EDIT EDIT - YAY SCREENSHOTS, OMFG SHE HAS BLONDE HAIR.

Not sure which white haired girl you're talking about but could you be talking about Shiina, Mashiro?

Black Hole - December 30, 2012, 9:08 pm

Yay screenshots! Holy fuck she has blonde hair...was thinking white for some reason.

Anyway, you are missing a synopsis too.

I assume Shinna.

Also not sure if you broke that up or just doing the last name then first name because her name is, Mashiro Shinna. ^^

2awesome4u - December 30, 2012, 9:22 pm

Odd, I thought it was Shiina... It says so in MAL. Meh.

Anyways, nice review.

I actually loved the comedy and the romance in Sakurasou.

Cody - December 30, 2012, 9:24 pm

Going to watch this now, got recommended to me awhile ago but I'm a noob and forgot.

Watched it when the season first started, along with K (Project), and Tonari no Kaibutsu-kun. I just have to watch the last episode because for some reason where I went to watch it only had up to ep. 11.

What site are you using?

CrunchyRoll has them all :P

Actually that was my fuck up. I had thought they didn't post it, because they usually make a slot for the next week's episode. This time, since it was the last, there wasn't one so I assumed it hadn't come out.

Just finished it too.

juniiflow - December 30, 2012, 11:13 pm

one question, did this series really ended? or it's still on going ?

I hear it's going for season 2 for a total of 24 episodes ^^

Next year... Winter is when it's supposed to be released I believe.

Wuutttt I thought there was still going to be another episode. The end of episode 12 showed that there will be a #13 so I supposed it would just keep going.

Most animes would've just put a the end or to be continued title on there.

Its a 24 episode anime so I don't know why people think it's over haha. Still got 12 episodes to go :).

That's exactly what I thought. And here I was biting my nails about having to wait for more episodes...

???? - December 30, 2012, 11:42 pm

Has this Anime finished?

I was waiting for a continuation because the ending didn't really seem pleasing when it had so much more potential.

EDIT: Read above Comments, Thank god its still going :)

I would love if it did another episode.
c: it might just be on like mid season hiatus?

Nathann don't do this to me. I need more episodes! And no one will ever take that away from me!

I guess we'll just have to wait and see. Maybe in the next 24 hours or next week. Or until the next season comes. (Hopefully not the latter)

Elfen Lied - December 31, 2012, 4:15 am

When all you guys were saying it had ended I was thinking I swear MAL said it was 24 episodes... Anyway awesome review! I have been keeping up with this anime anyway and I am enjoying it. It stops being so ecchi later on and if people are interested, nyaa.eu has episodes up usually by tuesday midday and crunchyroll shows it on Wednesdays.

tuonami - December 31, 2012, 4:32 am

Great review for an awesome anime ^^

Cystomatic - December 31, 2012, 6:52 am

Great review! Will watch the anime!

~Para - December 31, 2012, 6:52 am

#TEAMMASHIRO

I've been keeping up with this every week since it first aired and even before I was hyped for it. Not disappointed.

Nonon Jakuzure - December 31, 2012, 3:46 pm

I was so excited to watch but I realized it doesn't air for America until tomorrow. (I stream online, because I don't like clogging up my HDD with games and anime at the same time)

THE HORROR.

I NEED TO KNOW!

Unless I read wrong again.

Which I probably did.
