Thread: [Latest #Minecraft - Latest Minecraft Picture](#)

Manson - December 30, 2012, 9:09 pm

<http://latestminecraft.com/>

It displays the latest minecraft picture uploaded to twitter using the #minecraft hashtag

Pillows - December 30, 2012, 9:10 pm

If this is yours then I'd say it looks pretty good. It's clean and at least it doesn't wreck of advertisements.

l???l???¢? - December 30, 2012, 9:12 pm

Make it show the top 5 bro then it might be a little better also does it autoloading or do u have to refresh?

That is the only draw-back of the site :P

This project will be open source soon.

Manson - January 1, 2013, 10:52 pm

Currently in development again. Working on multiple tweets, possibly pagination. Sure, you could go on twitter and do #minecraft, but ours looks nicer, is cleaner, and is just an easier way of doing it :)

BeYondZer - January 21, 2013, 3:10 pm

Link doesn't work D:

Please fix it :)
