Thanks to Programmargorp for the logo <3

The purpose of this thread is for the entrants who have received their gifts to show them off and also if the person hasn't already revealed themselves, guess who it was that sent them a gift.

Unfortunately I was short on money when I started this so I didn't take part.

Wow I'm surprised there wasn't that many people who entered O.O I thought there would be at least about 8.

I wanted to enter, but didn't want to go through the whole deposit process. Sad because I had quite a bit of money to spend on AA gifts.
