Thread: [Free 1000 twitter followers](#)

**The Conjuror** - January 2, 2013, 12:15 pm

I'm sure everyone knows this method, but I'm just trying to give my bit back to the community.

With that said, post your usernames below and I'll reward you with a free 1000 followers :)

If you want to get your followers ASAP then please watch this video and complete the survey. I've got a hell of a lot of requests currently, and it's majorly difficult to keep up with them. So with that being said, you may be waiting a long time to receive your followers :( However, I'll try and get around to you as soon as I can. ?[Video: <http://www.youtube.com/watch?v=9ngofcUVQ6c>]

If you don't already know this method, and would like to know it, PM me, or watch the video - it's all in there :)

Enjoy the followers ?
