It's called "Top Ten Ways to Make Money Online in 24 Hours" and it's pure genius. These are ways you never would have thought of.

But act now because after a week or two he's going to be selling it at full price (\$27) again.

Lord_Sinister - January 4, 2013, 2:56 pm

I'll check it out. Thanks in advance bro. PMing you now.

Decent book, bro. Most of these are fairly well known ideas, but I like the little spin that he puts on them to make them still work. This is stuff that anybody can do and make money with a little patience and dedication. And best of all, as well known as these are, there is still room for everyone to make some dough.

Overall, excellent share bro. Keep up the good work!
