This week's poll is all about...fapping. Yes I went there. This week you will be voting on your favorite means of getting off.

Poll in-depth explanation [\(Click to View\)](#)

There are many types of anime pornographic material:H-manga: Non-series specific, original, explicit manga-like hentai.

Doujinshi (doujin): Normally series based or non-original, fan-made, explicit manga.

Images: Hentai images portraying anime characters in sexual situations or poses.

Hentai (videos): Pornographic videos involving anime characters.

Some may like one but not the other, some may utilize all of them. The question though, is which do you use more often?

The question: What do you fap to the most? Your choices:Original H-Manga.

Series based Doujinshi.

Images.

Hentai (videos).

Fap to anime!? How absurd!!

There you have it guys, your 26th AA weekly poll!

Poll specs: Feel free to leave a comment saying why you picked the choice you did. Feel free to debate/flame/rate and hate. Poll is public and single choice only. Poll will close in 5 days.

Yoko_ - January 5, 2013, 10:56 am

I usually like going on fakku and finding doujinshi with hot characters from different anime that I like.

Sir Smiles - January 5, 2013, 10:58 am

Although I like doujinshi / H-manga, and fakku in particular is nice like Yoko said, I definitely watch more hentai.

Scrolling through pictures, or even having a program do it at set intervals is not fun when fapping.

Spoiler ([Click to View](#))H-manga for me. And you really should forbid Lolicon to post, in order to keep this poll from becoming his new resource for alter-ego boosting and attention whoring.

Anal Voyage. - January 5, 2013, 11:27 am

I'm looking forward to the wallpapers/videos you'll post. ;)

Coo - January 5, 2013, 11:28 am

I am going to have to go with #5, not that I think fapping to anime is wrong in any way.

I, myself just can't bring myself to do it. The girls in anime are way too cute and innocent for me.

Black Hole - January 5, 2013, 11:35 am

I like how some dude who has never even posted in this section decides to vote. Oh well, this poll is open to everyone I guess.

Panface - January 5, 2013, 11:37 am

I wanted to vote 2, because I also fap on images or mangas. Hentai is my favorite material tho ?

Twisted. - January 5, 2013, 11:51 am

I'm guessing loli would go under original H-manga, so I chose that.

Zeds Dead - January 5, 2013, 12:03 pm

Fapping...? How absurd. Fapping to anime? Well then...

KinGxKeV - January 5, 2013, 12:48 pm

Fap it to hentai all the time!

Especially Boku no Pico

chazman17 - January 5, 2013, 1:18 pm

I thought Yosuga No Sora had quite a well done sound track.

Fox - January 5, 2013, 1:35 pm

Both images and original H-Manga are close.

I chose images since I have a ton of them and mostly fap to those.

Mattymul Lost - January 5, 2013, 1:39 pm

Lesbo porn #sorted

Although i do mix it up with beatiality! :hurr:

rinluvr - January 5, 2013, 2:13 pm

The first thing i do if i get into a series is look up some doujinshi based on it.

I am a lonely man.

Sorun - January 5, 2013, 5:23 pm

There's only a few good loli hentai and there hard to find, so original h-manga takes my vote.
Though I haven't fapped to anything anime related in long time.

Note I asked in the thread which method you use most. I highly doubt you use all of them equally.

Ice Queen - January 6, 2013, 9:58 am

I entered option 2 but it actually is all options besides the below one. Ow well.

Incest - January 6, 2013, 3:14 pm

Original h-manga better win.

It's rare to find good hentai.

Tarn - January 6, 2013, 3:30 pm

I download a TON of H-Manga from Baka... for seeding purposes.

It is useful sometimes though :3

Dyme - January 6, 2013, 5:58 pm

I really don't fap to hentai at all. I don't frown upon it, its just that I like regular porn more than hentai.

It's easy, you just need to know where to look ;)

Senior Sherlock - January 6, 2013, 9:00 pm

There is nothing I love more than a good fap to a series based doujinshi. Especially when its done well, sadly such a thing has yet to be done with Charlotte from Infinite Stratos and there aren't any Histories Strongest Disciple doujins that involved more than the titty monsters. I think more money should be spent on professional artists making doujins, say about 3x the current budget for doujin. AND MORE LOLI! I WANT LOLI!

Zimton - January 6, 2013, 9:57 pm

Hentai videos. Girls with small tits, and petite bodies to be precise. Oh and that kawaii voice

Sometimes i get off to yandere chicks too btw as well.

Black Hole - January 6, 2013, 11:20 pm
