Seems like a good list of e-books. GLWS.

Liquified™ - January 6, 2013, 3:39 pm

Well, this is technically selling someone else's work without their permission.
Meh.

without their permission.

Meh.

This was given by a user to me, in another forum he knows cause I asked him if I could sell it.

Thanks for the vouch kirtio!

Sure, but the user that gave this to you probably gave it without all of the author's permissions.

Anyways, this is HackForums, nobody even cares.

Good luck.
