Thread: [??AFFINITY VPN?? Starting at \\$2 ? NO LOGS ? 99% Uptime ?1 GBIT ? Port Forwarding](#)

Tony Stark - January 9, 2013, 1:38 pm

Welcome to Affinity VPN!

Affinity and I own Affinity VPN 50/50! We decided to call it Affinity VPN as Tony VPN sounds like shit xD. So give us a try and leave some feedback. We offer free port forwarding for those who need it! If you have anything negative to say not regarding are product best not say it here and pm me directly.

Having a special deal to get customers! 2 people can pick up lifetime dedicated for \$20!

Nieeli - January 9, 2013, 1:40 pm

I like the thread. GLWS, It's a good VPN :)

+Affinity - January 9, 2013, 6:05 pm

Hi everyone! If anyone is interested in a VPN, feel free to PM or Skype us for more info! (:

Yeah, I'll buy. This price is just tooo good.

I bought a dedicated IP and the service was just great.

Haven't received the product yet, but I except it to be good.

Cyber Duck - January 10, 2013, 12:23 am

Vouch for this, Hosted on my hosting service.

Kaze? - January 10, 2013, 3:58 am

Vouch for Tony, professional businessman looking to provide excellent support/services.
