Yo HF,

I found this halirous video of Jeff Dunhman with Achmed the dead terrorist they have about three videos of jeff with him, Anyway here is my favorite video out of them all.

[Video: <http://www.youtube.com/watch?v=ok0rQgcYJ4Q>]

My favorite part?:

Dashing though the sand,

With a bomb strapped to my back

I have a nasty plan for Christmas in Iraq

I went though checkpoint A

But not though checkpoint B

Thats where I was shot in the ass

By the US Military.

The rest is funny too im just lazy and I loved that part the most :). Enjoy laughing lol!
