anybody else sent this already.

but thanks

**Faxe Kondi** - January 11, 2013, 8:27 am

Ive made guides about it way long before everyone else.

Butno one posted because it wasnt a post here and PM thread..  
fucking leechers...

Read the post above.

People are just leeching it, and in this version I've made a tut on how to find new ones, and posted alot more unique ones ;)

The package is still up for grabs for everyone.

Hope someone likes it!

Guides for making an email?

It's just changing a URL.

Although, I do like the idea of the pack!

Glad you like it.

Hope some more people who arent leechers decides to post instead of just snatching the guide...
