For some convenient store in Chile.. I got this.. [img]http://i44.[censored].com/14t5v2u.png[/img]

What do you guys think?

x1029 - March 15, 2010, 7:10 pm

Bwhahaha.... How did you spread it?

Troxin - March 15, 2010, 7:12 pm

Woah thats fucking cool

Apples - March 15, 2010, 7:13 pm

Haha lol, I'm from Chile, get more info about the store ;)

dustyistwiztid6 - March 15, 2010, 7:14 pm

yeah seriously how did you spread this to get that kind of demographic? is it like a home computer that the cams are linked up to? whats the deal? this is a great find man.. look forward to hearing more

Vexillia - March 15, 2010, 7:28 pm

I logged out of it.. Lol obviously no ones paying etention :/ Been off for about 5 minutes. If you want me to spread you to this pc, I'll trade installs. :D

Sh1Ft - March 15, 2010, 7:54 pm

DAAAAM

LOL

Shit you could rob the place and delete the files :D

You wanna buy two plane tickets to go there and back? lol :P

HμstleR - March 15, 2010, 8:26 pm

lol thats pretty ridiculous

SomeCallMeTuT - March 15, 2010, 8:27 pm

May i ask, how you happend to "hack" a Camera?

™CryptoManiac™ - March 15, 2010, 8:32 pm

This could be used sooo well.

Trade installs? ?

Hecker21 - March 15, 2010, 8:33 pm

I pm'd you about tradeing installs <3

Not really lol, what am i going to need with servalence camera's? That could lead into some BIG legal issues.

Im good. :)

iDuL - March 15, 2010, 10:05 pm

You ratted a store? Priceless.

Donkey - March 15, 2010, 10:07 pm

turn the cameras off and go rob the store lol

zer0day - March 15, 2010, 10:41 pm

Pretty cool, something different from the norm, nice!!

That is generally the case....Even with large companies....That just have buffed out harddrives that everything is hooked up to :p

hollysmoke - March 15, 2010, 11:13 pm

Nice one man,for sure you pretty luck :))

pushl %ebp - March 15, 2010, 11:15 pm

You just typed in a Google Dork to get access to those cameras noob.
Don't bull shit on here!

eXemist - March 16, 2010, 12:36 am

Thats an awesome exploit you found man! I used to get into traffic cams myself and play around with them but the epxloit I used has been since blcoked
