Thread: [Rhost.Cz | 100% Working # Premium Link Generator](#)

alkingmafia - October 21, 2008, 12:41 pm

Hey guys, since # changed some of its scripts, and some previously posted Premium Link Generators (by me) are not working 100%, I'd like to share this one with you ..

Code www.rhost.cz

Enjoy ..

convict - October 21, 2008, 12:46 pm

Alright, i'll try it out then get back to you... if it works, thanks, i have been looking for one of these for so long, the assholes on one of my board always post rs and i am too lazy to try phising or keylogging my way into an account...

d3tox???? - October 21, 2008, 12:47 pm

Umm. Post all your RS links in one thread please. Prevent spamming. Thank you.

(Oct 21, 2008 12:47 PM)d3tox Wrote: [\[CITE\]](#) Umm. Post all your RS links in one thread please. Prevent spamming. Thank you.sure man but i cant cus i write it and i have try to remove they cant let me

convict - October 21, 2008, 9:24 pm

well then make one new thread and put all the links there as well as future links, these little treads will die out.

Ally - October 26, 2008, 2:50 am

Dont work_____

dreamway - October 27, 2008, 3:23 pm

thx man :)

WhiteFlame - October 27, 2008, 3:41 pm

Hey nice share :)

Inferno - October 27, 2008, 3:47 pm

i don't think that it works

GLO13AL_T3RROR - October 29, 2008, 4:32 pm

thank you !!!
