Thread: [Most useless facts! Whats yours?](#)

godlords - January 13, 2013, 4:09 pm

Hey guys. Today I'm going to make a most useless facts contest. I will pick the winner and we'll see who gets the win... No prize, just for fun. Will decide the winner by 1/20/13 if not sooner... What's mine? Mine is that the reason they have 10 pin bowling is because people betted to much on old time 9 pin bowling and they banned it. To get around this, people created 10 pin bowling. Can you beat that unusefulness? Get searching! List of links you may want to look for useless facts at...

http://www.laughbreak.com/lists/useless_facts.html

Please NO repeats. If the winner of the fact first gets it earlier on in the post, he wins. Now get going!
