Can you help me? I want to be partnered I got almost a mill views

.Santa™ - January 19, 2013, 2:51 pm

Subbed <3 I love Hunger Games.

We should play sometimes.

Trackers - January 19, 2013, 4:08 pm

Machinima accepts really anyone that applies now as long as you have like 500 subs and 3 videos with over 1k.

Congrats though!

CPM is \$1.25 for partners unless you are, Whiteboy7thst, WoodysGamertag, Syndicate, and some others.

Pewdiepie left.

IN?INITY - January 19, 2013, 4:20 pm

Added a video to OP on how to get partnered for anyone wondering :D

Funny I don't have 500 subs or a single video over 1k xD

Jays On My Feet - January 20, 2013, 12:13 am

Machinima is a bad deal now. So many pay cuts, it's a 66% reduction of what you used to be getting.

Exactly, they are NO longer the prestige network..

IGN is one now.

Fullscreen is decent. (I am with FS)

Maker is good.

Hope you didn't sign the contract some which locks you in for life.

Some people have been complaining about that in the internet, but I'm sure you read the contract before signing :)

Congratulations anyways.

Baysick - January 20, 2013, 12:43 pm

Did you seriously partner with Machinima? You're getting ripped off.

There new contract only gives you 40% of the CPM of what you originally get.

Me and a partner is partner with a Unionforgamers. 3\$ CPM.

AND they lock you in for life.

Cosmo??? - January 20, 2013, 1:02 pm

Funny, I just watched a youtube video about the new Machinima contracts buttraping people's CPM. Not to mention over 9001 year contracts.

IN?INITY - January 20, 2013, 1:40 pm

The contract is 3 years long, you guys have never seen the machinima partnership contract and are telling me about it lol.

Lool. We have not seem it?

I got it off a friend, who I helped partially to get partnered with UoG.

Also, The fact that. Athene. Was telling everyone about Machinima and it's downfall. I don't think this is a lie at all.

You haven't seen it if you think that it locks you in for life. Just because athene made a video saying machinima is bad partner with UoG doesn't mean machinima is actually horrible. Basing your opinion of something off of one persons words is just stupid. Is he a partner of machinima? No, maybe in the past I'm not familiar but as of 1/20/2013 Athene is not a Machinima partner so he doesn't have a whole lot of credibility on Machinima facts.

Just because he said so? Don't let the partnership get to your head. Get some research done.

What the hell are you talking about, I'm not letting partnership get to my head and you need to get research done, You used Athene as your main source of intelligence on Machinima, not a contract from machinima, a machinima partner, or anything/anyone machinima related, I used a picture from my contract stating I am locked in for only 3 years, not 10, not life, 3.

You clearly have no idea what you are talking about and can't handle being proven wrong so you are resorting to hollow remarks. Practice what you preach.

Karma™ - January 20, 2013, 2:37 pm

thats cool bro :D. good luck with it all

YOLO SWEG - January 21, 2013, 12:47 am

Congrats on the partnership :P How in the heck did you get it with that little subs / views? :P

Webmasters - January 21, 2013, 1:09 am

That's really cool man. If I could ever get a freaking camera for recording my Xbox games for commentary and stuff I'd start with that.. Then eventually move to Minecraft online and such. Until then I'll never have a chance.

I'm happy for you.

Duk3 - January 21, 2013, 9:05 am

LOLLL you lucky, I have been trying to get a partnership with some companies but I dont think I'm up to the challenge and also i got a lot of work on my hand. But Congratz

Wezz - January 21, 2013, 11:36 am

Congratulations bro, keep it up. ?

IN?INITY - January 21, 2013, 4:06 pm

Meat - January 28, 2013, 4:26 pm
