I'm hoping so, I can't say I was happy with the cliffhanger.

This encourages people to read the manga I suppose.

It actually won't from what I remember hearing. It was advertised badly in Japan, so it didn't do so well.

Indeed, I was in love with the anime up until that ending.

But the popularity from other country's were pretty good.

Of course, but in Japan it's all that matters, since Japanese companies pay for production and all that jazz, so if it didn't get advertised well, they won't give it another season.

O my God! That's really cool. I was eagerly waiting for it.

KinGxKeV - January 17, 2013, 11:37 am

Hentai? - January 17, 2013, 11:59 am

I hope they come out with second season for anime series, it was a huge cliffhanger and its still bothering me. I really wanted to know what happened next as I loved this series.

Dr Achtogonapus - January 17, 2013, 2:39 pm

There won't be a second season. Because of the way they hurried the anime along, they skipped way too much from the manga to go anywhere. Only the people who read the manga would have a slight idea of what is going on, even if they could figure out a way to continue on with it.

Must resist urge to call you bad names.

He means the anime's story line divulged too much from the manga's story line to continue. If they were to do so, the next season would be a total mess.

Ah, well that makes more sense. ?

It's very unfortunate that they had to mess with the anime. A second season would have been great. There's so much awesome stuff that happens in the manga, I highly recommend reading it.

Chubaca - January 18, 2013, 3:28 pm

Uh...do you mean a second season? The series has been out for a while now...

ANN was quite behind on this tsk tsk. wanime's site posted this back near Christmas.

Extremely happy that it's coming back, and I'm also happy that it'll be the final arc. It was certainly building up to end before she took her break, but you never know if a manga is just gonna take some weird route.

The anime gods have finally answered my prayers!!!
