Are all 15 garunteed to have games? If not, then i might just buy black ops. Also, would it still be the same price if i wanted you to go through and find and acc with black ops 2?

sry mate i dont got black ops 2 :)
maybe in the future

asliceofcake - January 17, 2013, 2:35 pm

If i bought 10 acc's, plus black ops 1, would you be able to lower it to 6\$ instead of 7 because i only have 6\$...
