Hello HF community ?

I will make a new giveaway today and I offer you a chance to win my unique method which is available for 25\$. I will post a link only to let you know what method :

<https://hackforums.net/showthread.php?tid=3101900>

Only 20 positions for this giveaway you just need to choose a number then wait, when all will be taken I will generate one number with random.org. I will announce the winner here then contact him by PM since my method is one method that I teach by TeamViewer in one to one.

Thanx alot man, love ya.

Responded to your PM.

y try it y - January 18, 2013, 12:53 pm

Ah man, :(sad times, enjoy it shekhar !

soueuls - January 18, 2013, 1:03 pm

Well Shekhar got his IP blackflagged from everywhere I don't know why. So I showed him the method with my computer, I hope he will let a feedback.
