update Api is being upgraded lots and works even better than before. Recommend the buy!

AlecT - January 28, 2013, 7:26 pm

Vouch for unscript his API is fast and accurate

UnScript - January 30, 2013, 11:53 pm

Thank all you guys for the vouches and comments!

UnScript - February 7, 2013, 12:48 am

Fixed API should work 99% of the time :), PM for me for a test key if you want to purchase.

Vlad1k - February 12, 2013, 2:17 pm

User threatened me. I do not recommend dealing with this user. Avoid.

UnScript - February 12, 2013, 2:18 pm

How did i threaten you? please show proof.

Vlad1k - February 12, 2013, 2:20 pm

Do not trust this user at all cost. If someone wants a resolver, shoot me a PM and I can give you a free one.

Stop ripping people off.

Arron XR - February 12, 2013, 2:21 pm

good luck with this man Vouch Thanks :)

Vlad1k - February 12, 2013, 2:21 pm

Thread is glitched by the way.

Can't post a reply,

People can get this for free.

There is no need to sell APIs anymore.
