Harry Dresden - January 21, 2013, 9:58 am

For one dollar, I would not even read, let alone fill in the application form.
Good luck to those who could be bothered lol.

Overkill! - January 21, 2013, 10:04 am

Caution, this user may be trying to get rep because of his low reputation. Just something I saw in case you decide to +rep him for it.

Juks - January 21, 2013, 10:30 am

I don't need +rep I don't hunt for rep, I got -rep for no reason because a scammer decided to -rep me because I gave him neutral for scamming then the other -reps are from people that say I scammed when I didn't I refunded them.
