Thread: [\[FREE\]Upgrading you to 3-Month Curse Premium for FREE\[FAST\]\[WORKING METHOD\]](#)

I'm giving away 3-Month Curse Premium upgrades. This is a glitch in their system, where you can upgrade to however long you want.

The Sales Thread: <https://hackforums.net/showthread.php?tid=3173804>

Here's how it will work:

1. You post below saying you want it.
2. You PM me your account details (I'm trusted, you can check the sales thread for vouches) If you really don't trust me, change your password to something else, let me do my magic, and then you change it back. Remember, it's your email, and then your password.
3. I will PM you back saying I did it.
4. You enjoy the benefits of Curse Premium

The main place to use this is on Minecraft Forums (the official one), where you gain a lot of benefits!

Remember to vouch once you receive it!

TL;DR: Post below, PM me your account details (email and password), and I will upgrade you! If you are interested, I can sell you the method for \$15 (\$40 for resale, because it is saturable)

Enjoy!
