Free Domain for the first person to sign up to my 2 sites.

Sign Up at <http://microyou.me/> and update your photo and post 1 status then

Sign up at <http://cowforums.com/>

Post below your username's and the domain you want (only .com,.net,.org,.info) it will be registered for a year and I'll give you the account to the registrar.

Only for the first, maybe second as well.

First

You have to sign up at both, if you already signed up at my other site you can't enter.

Apologizes.
