Why did you use it for a \$1.80 item?

It's total value is \$10.00 LOL!

Rihsky - January 21, 2013, 8:47 pm

Would this work over here in the United States?

Deanie - January 21, 2013, 8:48 pm

Yea i know moots, but i didnt know what to buy, and it was something i needed lol, seems like a waste, but its a free \$2 :)

Thanks for posting this, I just bought small high voltage diodes.

TheBlackHat - January 21, 2013, 8:58 pm

Damn is this only for Australia residents? Couldn't get to work for me.
