Selling Lifetime accounts for netflix! Current Stock: 100+, Limited 5 per customer.
15\$ Per Account.

Do not argue about the price.

Do not haggle.

Do not say its ridiculous.

These are NOT carded accounts.

(beware of other people selling accounts on here for ABNORMALLY low prices they are most likely carded.)

This is a fair deal.

PM ME IF INTERESTED.

This is actually pretty interesting, because I've seen various "Life Time" netflix accounts sold, on various websites. But do you know the trick to getting an unlimited supply of 12 month gift-codes? :3
