Thread: [VB.Net Ear Fucker <3 \[Ultimate Release\]](#)

Giommi - January 24, 2013, 11:07 am

Hi there

in my last video ([Video: <http://www.youtube.com/watch?v=WAIGWHE37mk>])
i show you in the last 10 seconds my Ear Fucker

it's easier than the yt music player

Hope you Troll around :D

Code #Region "EarFuck"

Private Sub FuckEar()

Dim earfuckwb As New WebBrowser

earfuckwb.Navigate("www.sports-report.net/joshlinehanmurdered")

End Sub

#End Region

Of course you can hide the form and the process :D

I don't take responsibility for any ear damage !

Are you kidding me? This is really fucking useless... Not to mention you used a webbrowser.

This section is beginning to piss me off...

Volume 0 = No sound.

What the fuck are you smoking?

Meerkat.? - January 24, 2013, 11:54 am

No offense but I think I have just found the cause of cancer.

Pumpkins - January 24, 2013, 12:31 pm

guys dont mess it's an 'ultimate release'!!

log dot zip - January 24, 2013, 12:44 pm

I think my IQ has dropped after reading this thread.

MrRapidz - January 24, 2013, 1:17 pm

This thread somewhat remembers me of MoparScape threads back in the '06.

Hackedbyak47imaskid - January 24, 2013, 1:25 pm

To be honest, I think this is a troll.

Who would be this stupid?

Sutton2k9 - January 24, 2013, 1:47 pm

Really what a waste of a thread how does this help any one?

Giommi - January 25, 2013, 4:59 am

xD it is only fun it isn't a leeched rat source code or a leeched crypter it's fun bro

log dot zip - January 25, 2013, 6:03 am

yes it is a very funeh!!! i laugh haha

On a serious note: why would you even start a thread about this? No one gives a shit.

Giommi - February 8, 2013, 3:00 am

HOLY SHIT PLS CLOSE WTF I LOOK IN MY LAST THREADS AND FOUND DAT SHIT REMOVE I WASN'T MYSELF PLS

#CLOSE!

This made me LMFAO!? hahaha

Artisanal - February 8, 2013, 6:14 am

Damm ?

It really shocked me at the end, lol ?

OneTXxL - February 8, 2013, 8:17 am

flash on a web page and the basic idea

TheAnonymous - February 8, 2013, 9:50 am

I really hope he's trolling or something O_o

ZeroXXX - February 8, 2013, 12:16 pm

Thanks for this trooling purpose, now my ears can shit blue triangles -

Dark_Noodles - February 8, 2013, 12:22 pm

How do you get this to work? I can't find the stupid webbrowser control on my toolbox!!!!

rfd - February 9, 2013, 9:10 am

Dammit meg you startled me!

4RG0S - February 9, 2013, 9:21 am

Sorry but this is the biggest sh*t i have ever seen here, what Tutorial is this ? And about the Source i have no words....
