Thread: [\[Found Deal\] Cheap iPhone External Batter/Solar Powered case For the iPhone 4/4s only](#)

Rod Serling - January 25, 2013, 12:18 am

Here is the link

get em when you can

http://www.ebay.com/itm/Solar-Power-Mini-USB-Battery-Charger-Case-Cover-2400mAh-for-iPhone-4-4S-Black-/280896470007?pt=PDA_Accessories&hash=item4166bbfbf7

http://www.ebay.com/itm/2400mAh-Mini-USB-Solar-Power-Battery-Charger-Case-Cover-for-iPhone-4-4S-Black-/110910754167?pt=PDA_Accessories&hash=item19d2cbcd77

2400MaH of extra battery meaning your iphone will live 100% longer.

your iphone lasted only 4 hours?

Now it will be 8 hours :)

Yes it's solar, but if you think about it, this would help in some emergency situations, such as lost in a forest, if you get service XD
