How much do you pay for your internet monthly?

I get 120 Mb/s max.

Da'Access - July 7, 2013, 4:27 am

You sure this is your speed? or deddicated server speed ? :-"

kamika\$e - July 7, 2013, 6:51 pm

Nice internet speed, how much you pay a month for this?

I still have a better combined upload and download speed

Sigma - July 7, 2013, 7:33 pm

Wow my Internet does not even come close to these numbers lol.

shockblade - July 8, 2013, 6:02 am

Dafuq? How much do you pay per month? I just can't imagine how can you achieve such speeds, it's insane (when I say this, I mean all of you).

Valkeire - July 8, 2013, 6:06 am

You may call yourself "the Champ" ;) crazzzzz speeds, mine doesnt even come close

LiveSupport - July 8, 2013, 6:35 am

I feel like there hosting a RDP from a Datacenter and doing a speed test :P

Your ping sucks dick. :P Google Fiber Swag but to bad you ain't got it.

Almighty - July 10, 2013, 12:48 am

damnn how much u pay? what company i want this speed ! lpol

Mother of Dragons - July 10, 2013, 1:11 am

I doubt this is even his.

It looks like he was travelling around places and trying to find where the best connection was.

Just check the history.

• **Kyle** • - July 10, 2013, 1:19 am

Wow look at the date of those speed tests at the top right, long time ago

Dastoks - July 10, 2013, 4:27 am

Sick internet, could download shitload of porn with it omg.

i would be the god of torrents with that upload :L
