Thread: [???\[ALL MEMBERS\]Huge Steam Account Giveaway!\[NON-VERIFIED\]\[5 SLOTS EACH\]???](#)

Rob. - January 27, 2013, 3:27 pm

Today, I'm giving away ALL the Steam Accounts I have! That's right, 11 accounts in one huge thread! Some are only for upgraded members, while some are for all members, but there is enough for all!

Accounts:

All the accounts are from here: <https://hackforums.net/showthread.php?tid=3208951>

Rules:

1. You may only enter in one giveaway. If it ends, and you did not win, then you can enter in another. If I see you trying to enter in multiple that haven't ended yet, you will be blacklisted from this contest.
2. Choose the contest you are allowed to get in (L33t/Ub3r giveaways are ONLY for them, and not for regular members. All member giveaways are for all members, including upgraded members)
3. Once you win, I will send you a PM with the account info. Do whatever you want with it, sell it, use it, whatever. Do another giveaway, doesn't matter.

Now that we got that out of the way, let's check out the giveaways!

NOTE: The Account #'s are the ones on the page located above. Choose which one you want according to the number on the page above.
