Thread: [\[FREE\] Youtube Account Cracker \[+PASSWORD LIST\]](#)

Termite - January 28, 2013, 1:55 pm

Hey guys, i'm giving away a Youtube Account cracker, i managed to get hold of, this Cracker is a CRACKED version. but is 100% clean, virus scan will be below.

What will you do with it?

Now i know most of you are going to want this cracker for the same purpose i did, Original Youtubes. But unfortunately this is not the case. The only way you will be able to get an OG is if you know the accounts emails, and because the channel is dead that will be hard. Just thought i'd say if anyone knows how to get youtube emails, please hook me up!

Screen Shots..

My rep*Faceplant*

now i know MOST if not ALL of you are not going to trust me with this program, but my -rep was from 'Manwe' for supposedly 'scamming' i got this minus rep before i posted my first thread, just to get things straight.

HOW TO GET?

Simple JUST PM.?

Virus Scan - Code
