Thread: [Machinima Swag](#)

Mark Zuckerberg - January 31, 2013, 7:15 pm

Well I just got a copyright strike on my youtube channel :(So I tweeted at one of the Machinima people, he told me to email him, and now I am getting it removed! :)

?

You're partnered with them right?

Oh btw, how can you avoid a copyright strike if you're a just new channel posting videogame vids?

Yes m partnered with them. And as for your question, you shouldnt have any problems with posting gameplay as long as its not against youtubes tos.

I actually did this a couple months ago, got a strike from machinima for uploading BO2 content they had rights to.

Ric Mendoza is a legit dude.
