Thread: [\\$6.00 paypal give away contest \(10 spots\)](#)

Hotsauce™ - February 2, 2013, 6:29 pm

Its been awhile since I gave back to this awesome forum. I've been making money online due to this site so I figured I would do a contest.

There is only 10 spots. Choose a number 1-10 and when the list is full I will use the random number generator.

First come first serve. If there are double of the same numbers, its the person who posted it first. If you do not meet the requirements you don't get a number =S.

Winner will receive \$6.00 via paypal.

PICK A NUMBER, I WILL NOT PICK YOUR NUMBER FOR YOU.

REQUIREMENTS:

- Leet/Ubers only
- Must not have scam reports or LQ posting
- Over 600 HQ posts

Spots:

- 1 Anima Libera
- 2 ? ??? ?
- 3 LMFAO.
- 4 Challenge Me
- 5 Unb?und
- 6 ITZ UNORTHODOX
- 7 Rob.
- 8 Kairo.
- 9 iKLUTCH
- 10 Nathann22

GOOD LUCK!

Update:

Winner is #9 - iKLUTCH
