Well i mean you can't judge a persons personality based of the fact of weather there upgraded or not on an online website. I mean that's just my opinion.

But if i could get one that'd be sweet. Someone is upgrading me and i should be l33t by tomorrow.

sure buddy will give you one but not right now

and its awesome that you are giving a 20k combo for free

Oxy - February 6, 2013, 6:33 am

I wouldn't mind this, I'll hit you up then.
